AFTER a fight for 45 years by the women of America it now looks as though they will be voting in a short time. The U. S. Senate passed the Susan Anthony resolution Wednesday. The question now rests with the states. We believe there is no doubt Maryland will pass the suffrage amendment and the women of Maryland will have the right to vote.

CLERK OF THE COURT A. Parks Rasin attended the G. O. P. harmony meeting at C. William Miller's home in Baltimore County Thursday. The meeting was largely attended and it is said in Republican circles that the party will unite on a candidate for governor and thus avoid a primary fight. The meeting, judging from the reports in the daily papers, was full of ginger and much party rivalry cropped out.

White, former pastors, and Dr. Thomas Alderson made touching addresses regarding Mr. Bordley, while Mr. Norman Jefferson, superintendent of the Sunday School, paid a beautiful eulogy to his memory. The full quota for this area, $7,159,000 in all probability will be fully pledged by June 15.

Still Farmers' Club Meets

The Still Pond Farmers' Club met at the home of A. L. Harris on Thursday, June 5. After the address of the host and hostess some practical farm questions were asked and answered. Pyrox was highly recommended for the spraying of flowers, berries, grapes, etc. Pyrox is poison and experts have proved that any person who eats 3000 pounds of grapes that have been sprayed will die from the effect of the poison.

The question "To what extent should a farmer's wife know her husband's business?" caused a very lively discussion. Many different opinions were expressed. It was the general impression that it is her privilege but not her duty to know all her husband's affairs and that it is necessary for her to know the results of his business efforts in order to be an intelligent partner.

Instead of the regular summer picnic meeting it was decided to hold a banquet at "Price's Cottage" the second Thursday in July at 5 p. m. Any farmers who are not members of the club, who wish to attend, are requested to present their names and one dollar to the Secretary before July 1.

W. C. T. U. RESOLUTIONS

Resolutions passed by the Kent County W. C. T. U. assembled in convention on May 29, 1919, at Christ M. P. Church, Chestertown, Md.:

Resolved, That we humbly and reverently praise God for the wonderful and decisive triumphs of the past year, and count it a joy to have borne a part of the conflict.

That we pledge our best efforts for the wisest and most effective enforcement of the new legislation, that these temporary war-expedients may become the approval and permanent standard of our nation and a guide to other lands in their battle against our common foe, the liquor traffic.

That we desire publicly to thank those of our Representatives in Congress and in the last Legislature, who by their votes signally defended the best interests of our commonwealth and made Maryland the sixth state upon the Honor Roll for the ratification of the Federal Amendment.

That this Convention send a vote of thanks to Congressmen Andrews, Linthicum and Zihlman for their support of the Suffrage Amendment which recently passed the House of Representatives.

And that we also extend our thanks to Senator France who has promised to support the amendment when it comes up in the Senate.

That we urge a vital awakening to the need of upholding Christian standards of life and morals, and that we co-operate with the efficient work of the Lord's Day Alliance and other organizations, to protect the Sabbath from the inroads of commericialism.

That we deplore the fact that Maryland is one of the only two states in the Union which permit the evils of race-track gambling, and we earnestly co-operate to obliterate this stigma from our state.

That we urge our Representatives in Congress to vote against the repeal of the war-time Prohibition Bill when it comes up at this present special session.

Resolved, That realizing the need for greater activity in the department of Anti-Narcotics, we will make a specialty of this during the coming year, and that we will endeavor to have Anti-Cigarette day observed in our Sunday schools and day schools; and will endeavor to have enforced the law forbidding the sale to minors.

That we desire to express our deepest appreciation and sincere thanks to the pastor and official board of this church, to the members, to all committees, to the county press, and individuals, who have in any way contributed to the success of this convention.

Suffrage Now Up To States

Action by Congress on equal suffrage—subject of a fight of 40 years' duration—ended Wednesday in adoption by the Senate by a vote of 56 to 25 of the historic Susan B. Anthony constitutional amendment resolution.

The proposed amendment, adopted by the house by a vote of 304 to 89 on May 21 as the first act of the new Congress, now goes to the States, ratification by legislatures of three-fourths of which is required for its incorporation in the Federal Constitution.

The roll call showed two votes more than the necessary two-thirds for the resolution, which was drafted by Susan B. Anthony in 1875 and introduced by Senator Sargent, of California, in 1878. Counting paired and absent members, the Senate actually stood 66 to 30 for the measure.

Loud applause swept the Senate chamber when the final vote was announced, following two days of debat

Valuable Farm

IN QUEEN ANNE' COUNTY, MD., NEAR MILLINGTON

The undersigned, Martha J. Barnes and Emma E. Barnes, owners, will offer for sale at public auction to the highest bidder, in front of Central Hotel, in the town of Millington, Kent County, Maryland, on

SATURDAY, JUNE 14, '19

commencing at the hour of 11.30 o'clock a. m., all that valuable tract of land or farm known as the "Barnes Farm," situate in the Seventh Election District of Queen Anne's County, Maryland, near Millington, on both sides of the public road leading from the Unicorn Woolen Mills to Millington, adjoining the lands of John Biggs, Charles S. more or less

The improvements consist of a large 2 1-2 story frame dwelling house in good repair and containing eleven rooms; also a stable, barn, carriage house, implement shed, ice house and other outbuildings. There is a fine well of water near the house.

The farm has a good light soil which is fertile and productive and grows nice crops of wheat, corn, grass and truck. All the land, with the exception of about two acres, is arable, and three of the fields border on the mill pond.

The location of this property is very desirable and attractive, it being just outside of the town of Millington and on the shell road leading out of Millington to the Unicorn Mills, while its close proximity to the railroad and the town makes the situation a most convenient one in every respect. The sale of this farm offers an unusual opportunity to any person who may be seeking a good, medium-sized farm either for a home or as an investment.

This farm is being offered for sale for the reason that on account of the recent death of their brother, John Barnes, the undersigned owners are not in a position to carry on or manage the farm.

TERMS OF SALE—One-third of the purchase money to be paid in cash on the day of sale, and the balance of the purchase money to be paid in two equal instalments, payable respectively in one and two years from the day of sale, with interest on each instalment from said day of sale, and the payment thereof to be secured by the notes of the purchaser or purchasers with surety or sureties to be approved by the undersigned; or the whole purchase money may be paid in cash, at the option of the purchaser or purchasers.
