MR. FARMER TAKE NOTICE—All Feeds guaranteed to produce.

Have you tried the Cow, Horse or Hog Feeds that we sell? Well, if you have not, try them the next time you buy and see if it does not give you better results than you have ever had. For reference to these feeds, ask R. C. Williams, George Dickerson, G. Thos. Dewberry, Louis Parsons, Robert McWhorter, Morgan Bennett. This is only a few of the users of our cow feed. See what they say.

Also look out for your coal bins, as all shippers claim coal is going to be scarce.

### UNDER THE STARS AND STRIPES

Welcome home Kent soldiers—you men who have returned from the war-blackened fields of France and Belgium and you who have returned from the training camps of the country. Anything our citizens do to show their appreciation for the sacrifices made by the Kent soldiers will reflect proportionately upon our county. The gratitude of a people is a transient thing. It is strong and enthusiastic when heroic deeds and great service are fresh in the mind. But the public is forgetful. As time passes and we return to the ordinary mode of life, enthusiasm wanes and the heroism of today becomes a page in the history of the past. But while the brave deeds of the Kent boys are fresh, while their wounds are still open, let us show with all the enthusiasm in our hearts that we feel it our greatest honor to pay tribute to those who fought for us on the battlefields of Europe. Let us make the Fourth of July an epoch in the annals of our county. Let us pour out our gratitude in the biggest demonstration that the county has ever seen. It is only by this that we can pay a trifling part of our obligation to the brave souls who went overseas and who took up the gage of battle when the triumphant Hun was stalking with the tread of the conqueror over the ruined fields of Europe and who was looking with longing eyes to this country as his next and chief prey. Again we repeat —WELCOME HOME TO OLD KENT COUNTY.

Mr. Loice Rust, son of Mr. and Mrs. Benjamin F. Rust, returned to Chestertown Saturday, but went back on Sunday for final discharge Tuesday evening and is now home. Mr. Rust went through many hard battles of the war and we are glad to see him back to Chestertown again. He enlisted in Company A at Elkton soon after war was declared.

Sergeant-Major Edward Blackway, son of Mrs. Harry Pfeffer, returned to Chestertown this week. Sergeant Blackway did good work for Uncle Sam in the war.

Mr. William Goss has laid off the uniform of Uncle Sam and has returned with Mr. W. C. Sutton at his old job. Mr. Goss went across to France with a Virginia Regiment, of which he was a member. He was in the hardest fighting of the war and was wounded twice, once in the leg and once in the stomach. Mr. Goss is an expert plumber.

Sergeant Colin Duyer returned to Chestertown this week. Sergeant Duyer was in the hardest fighting of the war and many of his comrades were killed in action, but he escaped unhurt and says he is glad to return to civil life once more.

Corporal Bryan Newton has also been mustered out of service and is home with his parents, Mr. and Mrs. E. C. Newton. He enlisted at the beginning of the war and saw much hard fighting.

Mr. Frank Lambert, Jr., is at Camp Meade and will be mustered out in a few days. Mr. Lambert tried twice to enlist at the beginning of the war and was finally taken. He did good work and saw some hard fighting.

Many Kent people were in Baltimore on Saturday and watched with great pride the 29th Division, with flags flying and bands playing, as they marched through the streets of that historic city.

June 25 is the date set when Germany must sign the treaty. If she refuses to do so, measures will be taken to compell her to.

Dr. Houston Toulson, son of Mr. and Mrs. M. A. Toulson, of Chestertown, arrived in New York on Monday and was brought to Chestertown by auto that night. Dr. Toulson served in the hospitals of France and England and did such meritorious work in alleviating the suffering of the soldiers who had been struck down in battle that he was given a commission as captain soon after going into service. Captain Toulson was in hospitals close to the front and several times went over the top with the English soldiers in their memorable campaign. Capt. Toulson has been discharged from service and will resume his practice in the near future.

Messrs. L. Bates Russell, Jr., and Fred Ford, two Chestertown young men who enlisted when war was declared, have been discharged and are home from the camps. These young men saw little hard fighting, but were at the front when the armistice was signed and had the war lasted a few days longer would have seen some hard fighting.

Sergeant Murrell Dunbracco has been mustered out of service and is the guest of his parents, Mr. and Mrs. James Dunbracco.

Private Earle Duyer has been mustered out of service and is spending the week with his mother in Chestertown. Mr. Duyer enlisted as soon as war was declared and was sent to the Mexican Border with the regular army. Mr. Duyer's accuracy with the rifle made him a sharpshooter of rare skill and he was sent to France in time for the heavy fighting in that country and was in the great Muese-Argonne drive, which opened up the German lines, started the German collapse and established forever the valor and the ability of the American armies. Mr. Duyer is a former employe of The Trancript, where he learned his trade, afterwards becoming one of the most skilful printers of the country. We welcome him back to Chestertown.

Private Holbert Townsend, of Kent county, at the last moment, before sailing home, enlisted in the Army of Occupation and went to Germany.

Private Harvey Blyman and Private William P. Blyman are probably on their way home from France. Both of these young men saw active service and did good work.

Mr. Harvey Wood, of the U. S. S. Kentucky, has been the guest of Mr. and Mrs. W. T. Bennett.

### Centenary Fund Soars

The Methodist Episcopal Centenary fund, based upon returns from all parts of the United States, has reached a total of $37,204,000, it was announced from the Centenary headquarters on Monday.

The entire country is about $2,000,000 behind in raising its quotas for prosecution of the Centenary program, which contemplates social, educational and evangelistic improvements upon a huge scale. The task of raising the full amount is viewed by Centenary officials with confidence, however, in view of the fact that Methodist churches have until June 15 before subscriptions are closed.

This area, including four big conferences, covering Central Pennsylvania, Maryland, Delaware, District of Columbia, Virginia and West Virginia, lacks practically $1,000,000 to meet the area allotment.

Chestertown M. E. Church, as we have announced heretofore, has raised its allotment.

—Chestertown gardeners are busy with their early truck. Messrs. C. C. Jones and Harry Graham picked the first peas.

## Concerning the Operator

A telephone operator is not simply a machine by which telephone calls are completed. She is entirely human. Her training, coupled with her humanness, makes her an efficient, interested worker.

She comes in contact with more people in a day than an average man sees in a week, and she tries to please each one. She usually succeeds according to the amount of cooperation furnished by those she serves.

## Knocked Rot Sky-High

"We used Pyrox on tomatoes and apples and it has proven entirely satisfactory. It certainly does knock the rot sky-high when used on tomatoes, and our apples this year are the best we have ever had."—CRUMPLER MERCHANDISE CO., Crumpler, W. Va. You can prevent tomato rot and at the same time protect the crop against bugs, worms and disease if you spray with

Pyrox

Pyrox is a smooth, creamy paste which only needs to be mixed with water. It sticks like paint and protects the crop during all the growing season. It is just as good for potatoes, apples, cucumbers, etc., as it is for tomatoes.

Get this Pyrox Crop Book. It tells how to protect your crops against bugs, worms and diseases. Send for a copy today. A postal card will bring it.
