BASEBALL NOTES

Kennedyville Team Making A Good Record — Washington Trims Queenstown—Other News of The Diamond

The Kennedyville Baseball Club, composed entirely of young men from the vicinity of Kennedyville, is making a good record for themselves, despite the fact that they have little time for practice these days. On Saturday they crossed bats with the Queenstown aggregation on the fine diamond at Kennedyville and won an easy victory. The day was an ideal one for a baseball contest and a good crowd was present, many going from Chestertown to see the game. Archibald and Hill were the battery for Kennedyville and to say that Archibald held the visitors at his mercy is putting it rather mildly. In fact, after the second inning only three men reached first and they were by errors. In the second inning Queenstown started the scoring, pushing two men across the home plate from an error and two hits. Kennedyville scored one run in its half of the same inning. In the third and fourth inning Kennedyville's heavy hitters got busy and when the smoke of the battle had cleared away Kennedyville has pushed eight men across the home plate, while Queenstown had scored but twice. The pitching of Archibald, the batting of Hurolck, who made two heavy smashes at opportune times and the brilliant fielding of Derringer were easily the features of the game.

The Washington College Baseball Club journeyed to Centreville on Tuesday and there met the Queenstown Baseball aggregation in a one-sided game. A few weeks ago Queenstown and Washington College played a tie game at Queenstown which lasted fifteen innings, Queenstown tying the score in a running slipping home during a discussion On Tuesday, however, Queenstown failed to pull off any of the "steal home" stunts, and Washington College scored an easy 7 to 0 victory. Gordy, Washington's crack twirler, was on the mound and he proved so effective that seventeen Queenstown sluggers failed to connect with the ball at all, while W. C. hit the ball hard and at opportune times. Sergeant Frank Jarman, who is recuperating from an attack of rheumatism, and who is a base ball player of many years experience in the big leagues, acted as umpire, and did the work in fine fashion.

Chestertown will have a summer baseball club this year, with Sergeant Edward Blackway as manager. This team will be composed somewhat of men in the service of the country the past two years. This team should be patronized as no other team has in past years, partly because Chestertown should have a baseball club and also because these young men who did such valiant service should be encouraged in this effort to bring the game back once more to Kent county. All managers should communicate with Manager Edward Black who desire games.

Ty Cobb is again at the head of the big league sluggers. It is hard to beat Cobb with the bat.

Jack Enright, the former W. C. star twirler, who is now with Newark in the International League, is being hit hard these days. Jack is somewhat wild, and then, again, he is playing with a rather poor club, which is in last place.

Mr. Isaac Gibbs, Jr., is playing a good game at first base for Middletown, Del.

Washington College closes the baseball season next Wednesday with the Alumni team. Kennedyville and Queenstown will be here on Monday and Tuesday, we understand. W. C. has had a good aggregation this year, but the weather has prevented many of their games. The bigest disappointment of the year was the failure of Maryland State to play the scheduled game here, and a recent issue of The Washington Collegian handed them a stinging "roast" for failing to appear to play the scheduled game.

The Chestertown High School team has had a most successful season this year. They have played some strong teams and have won a majority of the contests.

Interest is being revived in baseball all over the country, since the war has ended. Those who predicted that the great game was "done for" had better guess again.

GALENA ITEMS

Mrs. Lizzie Mullin, of Wilmington, is spending some time with friends in and around town.

Mr. S. G. Caldwell attended a banquet given by the Registered Holstein Association held in Philadelphia and also attended the big sale on Thursday.

Mrs. L. R. Vansant spent a few days of last week with friends in Wilmington and Philadelphia.

Miss Mary Smith, of Baltimore, is spending some time with her mother, Mrs. Anna Smith.

All of our Galena boys have returned home from France except Charles Stradley and Lester McCauley. We are hoping they will return soon.

Mr. Lemuel Mark is spending a few days with friends in Baltimore.

—Tolchester opened Sunday and big crowds were at the popular resort. Not only did the Baltimore boats bring large crowds, but the Kent county roads were full of autos, which is evidence that the old resort has lost none of its popularity among the Kent Co. people. Betterton has also opened and the beautiful hotels and boarding places have begun to fill with boarders from nearby cities.

The interests in the garage business of Bacon & Jessop have been taken over by C. Arthur Bacon, the former owner.

Thanking the public for their support to the firm and trusting we may receive a portion of your trade in the future, I beg to remain,

Very truly yours,

C. ARTHUR [illegible]

ENTRANCE EXAMINATIONS

STATE SCHOLARSHIPS IN ENGINEERING COURSES

ENTRANCE EXAMINATIONS for the Department of Engineering, as well as for the College of Arts and Sciences, will be held in Gilman Hall, Homewood, Monday-Saturday, June 16-21, 1919, beginning at 9 a. m., each day, under the auspices of the College Entrance Examination Board.

APPLICATIONS FOR SCHOLARSHIPS IN THE DEPARTMENT OF ENGINEERING, established under the provisions of the Laws of Maryland, Chapter 90, 1912, will now be received. If there is more than one applicant for a particular scholarship, a competitive examination must be taken Friday, September 19, 1919, beginning at 9 a. m. Appointments will be made soon thereafter.

Each Legislative District of Baltimore City and each County of the State, with the exception of Harford, Howard, Queen Anne's and Somerset counties, will be entitled to one or more scholarships for the year 1919-1920, in addition to those which have already been assigned. In the four counties mentioned above, all the available scholarships have been awarded.

Under the provisions of the Act of Assembly, the County and City Scholarships in the Department of Engineering are awarded only to deserving students whose financial circumstances are such that they are unable to obtain an education in Engineering unless free tuition be granted to them. The scholarships entitle the holders to free tuition, free use of text-books, and exemption from all regular fees. One of the scholarships in each County and each Legislative District of the City carries also the sum of $200. The expense of attendance for those who do not receive scholarships is not greater than at other Maryland institutions.

Scholarships may be awarded to graduates of Loyola College, St. John's College, Washington College, Western Maryland College, Maryland Agricultural College, Mt. St. Mary's College, Rock Hill College.

One scholarship will be awarded "At Large."

Applicants should address The Registrar, The Johns Hopkins University, for blank forms of application and for catalogues giving information as to examinations, award of scholarships, and courses of instruction. The next session begins Tuesday, September 30, 1919.
