RECOMMENDATIONS FROM BOARD OF EDUCATION OF KENT COUNTY TO KENT COUNTY COMMISSIONERS RELATIVE TO INCREASED PAY FOR KENT COUNTY SCHOOL TEACHERS

THE HONORABLE BOARD OF CO. COMMISSIONERS, Chestertown, Md.

Gentlemen—Believing it to be absolutely imperative that a substantial increase should be made in the salaries of our public school teachers, in order to obtain, in the first place, a sufficient number to keep the doors of our public schools open; and, in the second place, to secure such as will preserve a standard efficiency, we are enclosing you a list of Kent County teachers, stating the salaries they are now receiving, and most respectfully suggesting a percentage of increase which we consider just and necessary.

Below we append the names of those now receiving a salary of $400, and we would recommend a 25 per cent addition, making their salary $500:

Principal $1000, increased to $1100, Galena.

Below, those receiving salaries over $1200, recommending an increase of 5 per cent:

Mark Creasy $1500, increased to $1575, Chestertown.

J. Frank McBee increased to $1470, Rock Hall.

That is to say, to all teachers receiving $400 and less than $500, an increase of $25 per cent; $500 and less than $600, 20 per cent; $600 and less than $800, 15 per cent; $800 and less than $1200, 10 per cent; all over $1200, 5 per cent.

We desire to explain that the salaries placed opposite the names of some of these teachers are more than they are receiving, but the amount named in each case is what we consider should be paid for a teacher properly qualified to teach the school in question.

In the case of the colored teachers, who receive salaries of $210, $245 and $280, we would recommend an even increase of 25 per cent, making their salaries respectively $262.50, $306.26 and $350.

We hope your honorable body may see fit to appropriate this increase, for such reasons as we are sure you are too well acquainted with to need any further explanation from us.

Respectfully submitted,
JOHN P. AHERN,
C. ROMIE SKIRVEN,
WM. G. SMYTH,
Board of Education for Kent County, Md.

The above-mentioned recommendations for increase of teachers salaries was allowed in full by the Board of County Commissioners.

SAMUEL HICKS, Clerk.
