Eight to Eleven Acres a Day
At Less Fuel Cost an Acre

That's the satisfactory result that users of the dependable Waterloo Boy Tractor get in plowing.

It's a "three-plow" tractor under usual field conditions—a dependable source of power that keeps three furrows turning steadily round and round until the plowing is done.

It's a tractor you can use to full satisfaction in pulling your other tractor implements and in operating belt machines.

Up to its rated capacity of 12 H. P. at the draw bar and 25 H. P. at the belt, it will do any of the farm power work that horses or heavy duty stationary or portable engines can do—plenty of reserve power for emergencies.

It burns kerosene perfectly. No motor trouble, delay and expense from imperfect combustion. Saves many dollars in fuel cost. Every drop of kerosene is converted into pure gas by its *patented* kerosene manifold—no mixing of kerosene and lubricating oil—no carbonizing of cylinders or fouling of spark plugs.

The powerful two-cylinder motor with big bore and long stroke, perfectly balanced on a solid foundation runs at a moderate speed *with no vibration.* Gives full power without racking mechanism.

Through detachable protecting plates the working parts of the motor, the transmission and differential are easy to get at to adjust or repair from a standing position.

The Waterloo Boy Tractor Gives Dependable, Economical, Satisfactory Service. Come in. We Want to Show You Why

The following case is but one of many occurring daily in Chestertown. It is an easy matter to verify it. You cannot ask for better proof.

Enoch Latham, shoemaker, High St., Chestertown, says: "Whenever I caught cold, it seemed to settle on my kidneys and I suffered untold pain. When I straightened up it seemed as though I were stabbed. My kidneys acted too frequently and I had to get up several times at night to pass the kidney secretions. I had dizzy spells and on different occasions my eyes gave me trouble, a mist seemed before them. I learned of Doan's Kidney Pills and began using them. I purchased them from M. A. Toulson's Drug Store and they gave me great relief."

STANDING OF THE CLUBS

	Won	Lost
Centreville	4	2
Kennedyville	3	3
Queenstown	3	3
Millington	2	4

Queenstown jumped on Centreville on Saturday and defeated them by the score of 8 to 2.

Queenstown and Millington have "come back" strong and have begun to push the two leading teams—Centreville and Kennedyville. We look for the fight to be a hot one for the pennant in the league.

Centreville And Kennedyville Struggling for Leadership In Eastern Shore League

Centreville defeated Kennedyville on Friday in one of the best games of the season at the former place, the score being 5 to 4. Kennedyville had the game won until the last half of the ninth inning, when Centreville hammered in two runs and won the game. Archibald pitched for Kennedyville. Blackway starred with the bat, getting three hits out of four times up.

On the same day Queenstown defeated Millington by the score of 5 to 1. This was Queenstown's first victory.

Millington came to Kennedyville on Saturday and won from that aggregagation by the score of 3 to 1.

Millington has taken a decided brace and is playing good ball.

Frank Baker is talking of retiring again. This is not the first time he has "threatened" to retire, however.

Saturday's games will be as follows: Queenstown at Millington; Kennedyville at Centreville.

Games for next Tuesday, Aug. 5: Queenstown at Centreville; Kennedyville at Millington.

Queenstown swamped Millington on Tuesday and won by the score of 14 to 0, making the largest score since the league began. It looks to us like Queenstown is preparing to make a dash for the pennant.

Centreville and Kennedyville will play on Washington Field, Chestertown, next Thursday at 2 p. m. This game will, no doubt, be a great one and a large crowd will attend if the weather is favorable.

Centreville regained the lead in the Northern Peninsula League on Tuesday by defeating Kennedyville by the score of 8 to 4. Kennedyville tried out a new pitcher from Delaware, but he was not effective and the Centreville aggregation scored five runs in the first inning. While Archibald was substituted and twirled good ball, holding the visitors to one run, Kennedyville was never able to regain the lead. Horsey was on the mound for Centreville and twirled a good game, although he was hit hard at times.

UNDER THE STARS AND STRIPES

Messrs. Spencer Smyth, of near Lankford, and William F. Blyman, of Chestertown, arrived home this week, after having received their honorable discharges from the army. Both of these young men were in the Muese-Argonne drive and the St. Mehiel drive. Mr. Smith has a big scar on the left wrist, where a piece of shrapnel went through, while Mr. Blyman escaped without a scratch. Both of these young men were in the Fifth Division. They went to France on April 16, 1918, and returned home last week. They saw considerable active service and did good work for the great cause.

Corporal Samuel B. Armstrong received his honorable discharge from the army this week and is the guest of his parents, Mr. and Mrs. Edward Armstrong. Mr. Armstrong has secured a lucrative position as printer in the Curtis Publishing Co., Philadelphia, and will report for work next week.

Captain J. Thomas Kibler, one of the first to volunteer from Kent Co., is on his way home. He sailed last Monday. Captain Kibler saw much fighting during the war. He lost one finger and was gassed, but is now in good condition. Well, here's hoping he comes back to Chestertown to make his home! There is considerable talk of him resuming his position at Washington College as athletic instructor. Captain Kibler was one of the most popular and successful instructors that the old institution ever had, and we can hear a murmur of applause at the very mention of his name for the place again.

Capt. Carey Jarman, son of Dr. and Mrs. G. Allen Jarman, arrived home in Chestertown on Wednesday, his father bringing him from Elkton in his auto. Capt. Jarman did good work on the battlefields of France. The men in his command state that he was cool and aggressive in action and made a splendid officer, and he was well liked by them all. We welcome him back to Chestertown, where he has a host of friends.

The Voice of Summer

The endless stretch of the prairies' brown
To meet the cloudless sky,
The rolling green of hills and vales,
The river winding by—
The rocky crags of the mountain heights,
The gleam of the crested sea,
The stars of night—
The moon's soft light—
All speak of God to me.

The balmy breeze from the fruited fields,
The rose that comes with morn,
The drowsy warmth of noonday sun,
The rustle of the corn—
The song of bird and the hum of bee,
The fragrance of moist brown sod,
The purple haze
Of summer days—
All speak of God to me.
