

OUR FIRST MID-SUMMER

CLEARANCE SALE

We are today in a position to reduce our prices far better than usual times. In the first place, we have purchased a tremendous large stock from J. M. Blaustein, Rock Hall, Md. Still having $5,000 worth of goods left to dispose of, which was bought at 50 cents on the dollor at the old prices.

Now, on the other hand, in order to get this new firm of Frank Kline & Co. started, a great number of the larger wholesale houses sold us goods at a far lower price than the present market.

For Dependable Merchandise Our Prices Can't be Beat.
Come and See for Yourself.

It was agreed to engage some of the best speakers to be found anywhere in the country and to make an unusual effort to have a larger exhibit of fruit and vegetables. Premiums amounting to two thousand dollars will be offered, including larger prizes for those who exhibit a great variety of fruit of the highest quality and many prizes for the smaller growers. With the large number of apple growers all over the peninsula who have pruned, tilled and sprayed with unusual care this year, it is expected that the competition will be keen and that the exhibit will be one of great educational value.

BETTERTON MEET BIG SUCCESS

Gun Experts Smash Targets At Will At Bay-Side Resort

The big shooting event at Betterton was a big success in every way.

George Gray, the Philadelphia scatter-gun artist, captured the Betterton championship Friday from a large and classy field of shooters. He had a score of 95 out of a possible 100 targets. The event, which was the closing feature of the Betterton Gun Club's annual tournament, attracted a large number of trapshooting enthusiasts and the race proved exciting throughout, with the winner being in doubt until the final target had been thrown. George Simons, of Wilmington, with a score of 94 out of 100, carried off the second honors.

The Betterton Handicap attracted a field almost as large as that which participated in the titular event, and while it was productive of some excellent shooting and a close race, the scores were far below that of the championship. Dr. Merritt Brice, of Millington, was the winner of the handicap, shattering 91 out of a possible 100. Five shooters were tied for second place, each breaking 90 out of the 100 targets thrown for them.

Several professionals participated in the championship race, and of the bunch Beauchamp proved to be the best, having a mark of 96. Beauchamp and George Fish, of Cambridge, tied for the high average honors during the two-day shooting among the money men, each having a score of 237. Emort had 233, while Winchester and Crawford shattered 233 each.

Simons was high man among the amateurs in the 250 targets, shattering 238, against George Gray's 237. J. Minnick, the Wilmington crack, had a mark of 235 out of 250.

Resolutions Passed At A Conference of Maryland Branch League to Enforce Peace, Belvedere Hotel, Baltimore, Maryland, July 16, 1919

Whereas, the Treaty of Peace with Germany is before the Senate of the United States; and the welfare of the United States and the world requires that this treaty be ratified; and

Whereas, said Treaty has been ratified by Germany and when ratified by three of the Great Powers will take effect, and thereupon cannot be amended without the consent of all the parties thereto; and

Whereas, when said Treaty has taken effect no party thereto has any legal right either to demand or enforce the consent of the other parties thereto to any amendment; and

Whereas, it is believed that reservations incorporated in the instrument of ratification would constitute amendments, which would amount to a rejection of the Treaty unless consented to by the other High Contracting Parties.

Now, Therefore, Be It Resolved, that the Maryland Branch of the League to Enforce Peace respectfully requests the Senate of United States to ratify this Treaty without amendments and without reservations which are to be incorporated in the instrument of ratification.

Race Riots.—Hardly had the race riots in Washington been put down, when Chicago experienced the same unpleasant occurrence. About twenty-five people were killed there on Tuesday, when hundreds of people fought, finally bringing guns into play, with serious results. These race riots should not be tolerated for a minute and extreme measures should be used to stamp them out and punish the guilty parties.
