Eight to Eleven Acres a Day
At Less Fuel Cost an Acre

That's the satisfactory result that users of the dependable Waterloo Boy Tractor get in plowing.

It's a "three-plow" tractor under usual field conditions—a dependable source of power that keeps three furrows turning steadily round and round until the plowing is done.

It's a tractor you can use to full satisfaction in pulling your other tractor implements and in operating belt machines.

Up to its rated capacity of 12 H. P. at the draw bar and 25 H. P. at the belt, it will do any of the farm power work that horses or heavy duty stationary or portable engines can do—plenty of reserve power for emergencies.

It burns kerosene perfectly. No motor trouble, delay and expense from imperfect combustion. Saves many dollars in fuel cost. Every drop of kerosene is converted into pure gas by its *patented* kerosene manifold—no mixing of kerosene and lubricating oil—no carbonizing of cylinders or fouling of spark plugs.

The powerful two-cylinder motor with big bore and long stroke, perfectly balanced on a solid foundation runs at a moderate speed *with no vibration*. Gives full power without racking mechanism.

Through detachable protecting plates the working parts of the motor, the transmission and differential are easy to get at to adjust or repair from a standing position.

The Waterloo Boy Tractor Gives Dependable, Economical, Satisfactory Service. Come in. We Want to Show You Why

Ever have a "low-down" pain in the back?
In the "small", right over the hips?
That's the home of backache.
If it's caused by weak kidneys.
Use Doan's Kidney Pills.
Chestertown people testify to their worth. Read a case of it:

Mrs. James S. Lecates, High St., Chestertown, says: "I suffered from kidney trouble and a very painful backache. My kidneys acted irregularly, causing great annoyance. On different occasions, I had spots before my eyes and dizzy spells. I suffered severely from shooting pains through the small of my back when I bent over. I finally used Doan's Kidney Pills and got relief."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lecates had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

Football Fifty Years Old In America.—The fiftieth anniversary of the inauguration of American intercollegiate football will be celebrated this year. The first game was played by Princeton and Rutgers in 1869. The game has changed considerably since then, and nearly all the changes have been for the best. The most noteworthy improvement was the shift in the style of wearing the hair.

Murder In Cecil County.—Detectives are piling up evidence against Clarence Cothron to prove that he is guilty of murdering two persons, robbing their bodies, assaulting a young girl and stealing automobiles. His wife, Grace Clark Cothron, who also is in custody, is charged by the Cecil Co. authorities of being an accessory to the murder of John T. Weldon, of Philadelphia, whose body was found in a clump of bushes near Charlestown on Friday afternoon. At a coroner's inquest in Elkton the confession of Cothron was read, relating how he shot and killed the negro chauffeur and robbed him of a $600 diamond ring and about $400 in money.

Officers Want Their Pay.—Baltimore's police is emitting vague threats to collect out of Talbot County a bill for about $600, claimed as due in connection with the Fountain case. The Board claims to have twice demanded payment without response from the county commissioners, and have now put it up to the attorney-general. Talbot does not dispute that something is coming to the Baltimore police, for some of them did good work, but the majority of them enjoyed themselves under the shade of the court-yard trees and were as regular as clocks at the dining room, says the "Star-Democrat."

Judges Of This District In The Past.—Talbot county has been represented on the bench for 53 years, and continuously for the past 22 years. Judge Eccleston, who served for 35 years; Judge Ricaud, Judge Goldsborough, Judge Martin and Judge Adkins, who has served from 1906 to the present time. Cecil county has furnished five judges during 68 years of the 131. Judge Constable, grandfather of the late Judge Constable; before him Judge Purnell, from 1810 to 1832, and since him Judge Stump, Judge Crothers and the late Judge Constable. Since 1867, a period of 52 years, Cecil has had a judge on the bench for 43 years; Kent county has had a judge 45 years of the time, Queen Annes county 43 years, Talbot county for 22 years and Caroline for about two years of the time.

In Memoriam

In sad but loving remembrance of our dear baby, H. Vernon Mench, who departed this life one year ago, Aug. 7, 1919.

One year ago, my little boy
God took you away from me;
Some day we'll meet in the blessed land
And then I'll be with thee.
BY FATHER.

Thy couch is empty, little son,
My heart aching sore,
I'm coming to thee some day
To dwell forevermore.
BY MOTHER.

Dear little brother
Why did you die,
And go to live
In the big blue sky?
I'm just as lonesome
As can be,
Without my brother
To play with me.
BY SISTER CORA.

Yes, it's toasted

YOU know how much toasting improves bread. Makes it taste good. Of course—more flavor.

Same with tobacco—especially Kentucky Burley.

Buy yourself a package of Lucky Strike cigarettes. Notice the toasted flavor. Great! Nothing like it. The real Burley cigarette.
