IMPORTANT NOTICE

The Chestertown Ice Plant is working hard to accommodate the public, but owing to conditions of labor we will be obliged to adopt some regulations for all. We will be forced to close the doors for delivery at six o'clock p. m., except Saturday when we will keep the plant open until 8 o'clock. On Sundays for those who need ice for sickness or other necessary purposes, it will be delivered at the plant until 10 o'clock a. m.

We request all families where ice is delivered in quantities less than 25 pounds to please place same in their refrigerators themselves, and where ice over 25 pounds is to be placed by the ice man, please have your refrigerators cleared and let them put the ice in place wanted, and not keep the men to replace the articles. When one patron keeps the ice man waiting you make it that much later for your neighbor and friend to get his ice, which means considerable delay at the end of the route. Trusting these requests will be willingly observed, I am

Homes Needed In Chestertown.—The need of homes in Chestertown is getting to be quite a problem. Chestertown's greatest need, in fact, at this time is a sufficient number of houses to meet the requirements of those who must seek new residences in January. At this time there is not a vacant property in Chestertown, and a number of families have received notice to move because of the sale or exchange of homes. Many of these are at a loss to find homes for next year. A few years ago there were vacant houses on many of our streets, but they have gradually filled up ,with rents considerably higher. Some of our people have made plans to build, but have been deterred on account of the high prices of lumber, etc. Contractors tell us, however, that there is no reason to expect any reduction in building materials in the immediate future.

Arrested At Betterton On Murder Charge.—Joseph Price, colored, 33 years old, was arrested at Owens Cottage, Betterton, on Saturday afternoon by Officer Robert Moore and brought to Chestertown and given into the custody of Sheriff Carter, charged with the murder of a white man, Jacob Price, in New York city, on June 17. The accused man kept a clothes cleaning and repair establishment in New York. On the date named the murdered man is said to have gone to the negro's store and pulled out a roll of money amounting to $90. This is said to have excited the negro so much that he struck the white man, causing his death. The dead man was found in the negro's store the next day. The negro was traced to Kent county through a letter to friends and found at Betterton, employed as a waiter. He admits having struck Jacob Price in his store, but says he only got $90. The murdered man was about 60 years old. Officers from New York carried the accused man to that city this week.

PROCLAMATION OF GOVERNOR

Designating Saturday, August 16th, as Recording Day, and asking every Maryland soldier, sailor or marine, or nurse, in or with the armed forces of the United States or of the Allies in the great war, to attend and fill out a war service record.

Whereas, Our country with unselfish purpose engaged in the great struggle to secure freedom to the world and poured into the undertaking her great resources and prevailing might; and

Whereas, The State of Maryland responded in fullest measure to every call of duty for the winning of the war and upheld in all ways the splendid traditions of the State for patriotism and service; and

Whereas, The State is especially proud of her sons and daughters who served in or with the armed forces of the United States or of the Allies, and esteems it a duty and privilege to preserve their records in a permanent War History Collection; and

Whereas, The Maryland Council of Defense, through its Historical Division, has prepared a form of War Service Record and has organized committees in the counties of the State and in Baltimore City to assist in compiling these records;

Now, Therefore, I, Emerson C. Harrington, Governor of Maryland, do hereby designate Saturday, August 16th, as Recording Day, and I ask every Maryland soldier, sailor or marine, or nurse, in or with the armed forces of the United States or of the Allies in the great war, to attend at one of the appointed places and fill out a War Service Record. If it is not possible for the soldiers, etc., to attend, a member of the family should do so. A photograph (preferably in uniform), should be brought and discharge or other papers that may be of assistance in filling out the Record accurately. The places appointed for the recording will be duly published in the newspapers of Baltimore city and of the counties.

In Testimony Whereof, I have hereunto set my hand and caused to be hereto affixed the Great Seal of Maryland this 5th day of August, 1919.
