AUGUST SALE

REDUCTIONS IN LOW SHOES FOR MEN, WOMEN & CHILDREN

Although prices of shoes have doubled in the last few months, and are still climbing higher, with no relief in sight, yet we have been compelled to mark our prices down for quick selling, in order to make room for our fall shoes which are coming in right along.

Our store room is small, our space is limited, and as we bought our fall shoes early to escape the high prices, we have to receive them early, and need the shelf space quickly.

The difference between the advanced price of all high shoes, and our reduced price of low shoes, will enable you to buy two pair for the price of one pair. As spats will be worn a great deal this fall, you will be right in line to save considerably and escape the high cost of fall shoes.

BUY NOW WHILE SIZES AND ASSORTMENTS ARE GOOD.

SALE ENDS AUG. 30.

ENTRANCE EXAMINATIONS

STATE SCHOLARSHIPS IN ENGINEERING COURSES.

ENTRANCE EXAMINATIONS for the Department of Engineering, as well as for the College of Arts and Sciences, will be held in Gilman Hall, Homewood, Monday-Thursday, Sept. 15-18, 1919, beginning at 9 a. m. each day.

APPLICATIONS FOR SCHOLARSHIPS IN THE DEPARTMENT OF ENGINEERING, established under the provisions of the Laws of Maryland, Chapter 90, 1912, will not be received. If there is more than one applicant for a particular scholarship, a competitive examination must be taken Friday, September 19, beginning at 9 a. m. Appointments will be made soon thereafter.

Each Legislative District of Baltimore City and each county of the State, with the exception of Howard, Queen Anne's and Somerset counties, will be entitled to one or more scholarships for the 1919-1920, in addition to those already assigned to resident students. In the three counties mentioned above, all the available scholarships have been awarded.

Under the provisions of the Act of Assembly, the County and City Scholarships in the Department of Engineering are awarded only to deserving students whose financial circumstances are such that they are unable to obtain an education in Engineering unless free tuition is granted to them. The scholarships entitle the holders to free tuition, free use of text-books, and exemption from all regular fees. One of the scholarships in each county and each legislative District of the City carries also the sum of $200. The expense of attendance for those who do not receive scholarships is not greater than at other Maryland institutions.

One scholarship will be awarded "At Large."

Applicants should address The Registrar, The John's Hopkins University, for blank forms of application and catalogues giving information as to examinations, award of scholarships, and courses of instruction. The next session begins Tuesday, September 30, 1919. a16-4t.

New County Agent For Kent.—Mr. Horace B. Derrick comes to Chestertown to assume duties vacated by Mr. L. L .Burrell, who recently went west. Mr. Derrick is a graduate of the Maryland State College of Agriculture. He served two years during the war as a commissioned officer in the U. S. Marine Corps with the rank of Captain for the last year of service. He resigned this spring to follow agriculture and has been assistant county agent in Washington County, Md., since that time. Mr. Derrick has made a good record and Washington County is considered to be the best organized county in the United States. The first thing Mr. Derrick plans to do is to meet the farmers of Kent County. The county agent is a human instrument to serve the people, more particularly the farmer, and Mr. Derrick is ready and willing to serve in any way he can. He would appreciate having farmers visit him in the county agent's office in the Court House.
