THEY FOUND THE BALTIMORE LIFE INS. CO. PREPARED

and we have pride in the manner the conditions were met.

The death claims among those of our policy holders who were in the SERVICE, and the death claims caused by the epidemic of FLUE and PNEUMONIA, approximating a QUARTER OF A MILLION DOLLARS (from those two causes alone) were paid immediately on receipt of proof of death, and not one claim was held in our office seven hours.

LOCAL MATTERS

Hog Cholera In Kent.—Hog cholera, the dreaded and fatal disease among hogs, has appeared in Kent county in several places. One case is said to exist around Worton, while among the colored settlements around Melitota there are said to be several cases.

Notice.—All persons who took dishes home from the "Home Coming Supper" will please return them to the Red Cross Rest Room, as they were borrowed and will have to be paid for if not returned. There are a number of dishes at the Rest Room belonging to people who brought provisions. They are now at the Rest Room awaiting to be claimed by the owners.

American Legion Post Organized.—Chestertown will soon have a Post of the American Legion, the national soldiers' and sailors' organization. At an enthusiastic meeting of local discharged service men an application for a charter was made and it is expected that the State Post will promptly respond to this request. Plans for an extensive membership drive to cover the whole of Kent County, were discussed. Dr. Frank B. Hines was elected temporary chairman and Wm. F. Russell, Jr., was elected secretary pro tem. Robert A. Ayres and Martin Ten Hoor were appointed a committee to solicit membership applications. An urgent invitation is hereby extended to all Kent County soldiers, sailors and marines to join this splendid organization. A meeting for the further organization of the Post will be called in the near future.
