THE PROPER COURSE

Information of Priceless Value To Every Chestertown Citizen

How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with kidney backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement should add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statement of a Chestertown citizen who used them and who publicly tells of the benefit derived?

Mrs. S. E. Kirby, Queen St., Chestertown, says: "About six years ago, I was troubled with slight disorder of the kidneys and backache. I used Doan's Kidney Pills, procured from The Stam Drug Co., with good results."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Kirby had. Foster-Milburn Co., Mfgrs., Buffalo, N. Y.

The price lists and order forms for the sale of Army Food have been received at the postoffice by Postmaster Bowers, and a copy may be found in the lobby. It is impossible to give all the necessary information concerning the method of purchasing this food, but anything you desire to know may be obtained from the postoffice officials. All orders must be placed through the postoffice, and no order will be accepted before Monday morning next. Orders will be taken from Monday morning until the postmaster has been notified that the supply of food has been exhausted. As an evidence of what you can get and the price you can pay, we note that breakfast bacon is quoted at $4.15 for a 12-pound can; canned peas at the rate of 9 cents a can, two and a half pounds to the can; sweet corn of the best brand for 9 cents per can, two and one quarter pounds to the can; canned tomatoes for 9 cents a can, two pounds to the can; and other articles such as flour, corn meal, canned corn and roast beef, seedelss raisins, etc., in proportion. The postoffice officials will accept orders for each day, and at the close of business each day all orders will be tabulated in bulk, and forwarded to the Zone Supply Officer for filling. When the order is received here it will be sent to the purchaser by parcels post. Postage must be added to the total cost.
