AUGUST SALE

REDUCTIONS IN LOW SHOES FOR MEN, WOMEN & CHILDREN

Although prices of shoes have doubled in the last few months, and are still climbing higher, with no relief in sight, yet we have been compelled to mark our prices down for quick selling, in order to make room for our fall shoes which are coming in right along.

Our store room is small, our space is limited, and as we bought our fall shoes early to escape the high prices, we have to receive them early, and need the shelf space quickly.

The difference between the advanced price of all high shoes, and our reduced price of low shoes, will enable you to buy two pair for the price of one pair. As spats will be worn a great deal this fall, you will be right in line to save considerably and escape the high cost of fall shoes.

BUY NOW WHILE SIZES AND ASSORTMENTS ARE GOOD.

SALE ENDS AUG. 30.
