WE SHALL BE 30 YEARS OLD IN JUNE NEXT

At the beginning of the year 1920 we wish to give a few facts (and not generalities) relative to the business of this bank during the year 1919.

This bank has paid to the United States Government, State of Maryland, Kent County and town of Chestertown, TAXES amounting to $8,900.20, nearly 18% on its capital of $50,000.00, during 1919.

It has paid in INTEREST to its 2000 Savings Depositors $42,847.87 during the year 1919, over 80% on its capital of $50,000.00.

This bank now owns Liberty Bonds amounting to $304,800.00, not so profitable from the standpoint of Income, but SAFE.

This bank is a member of the Federal Reserve Banking System, and is always in position (under the National Banking Act) to take care of its customers.

The business of the bank is handled in an "up-to-date" manner, liberal yet conservative in its loans. Always carrying a good Reserve and Assets which can be converted into CASH immediately.

We are and will be in a position to serve you in the future as in the past. We pay FOUR per cent. to all our Savings Depositors. Call and let us talk over your banking matters, everything in strict confidence.

Our success is largely due to the fact that "WE TREAT EVERYBODY ALIKE." This is so well-known that it is our "motto."

Very respectfully,

THE THIRD NATIONAL BANK
OF CHESTERTOWN, MD.

DIRECTORS.

Ford
THE UNIVERSAL CAR

The Ford Sedan is the favorite family car, seats five comfortably. While an enclosed car with permanent top, it has large windows, and may in a minute be changed to a most delightful open car with always a top protecting against the sun. In inclement weather it is a closed car, dust-proof, water-proof, cold-proof. Finely upholstered. Equipped with electric starting and lighting system and demountable rims with 3½-inch tires front and rear. A real family car. Won't you come in and look at it?

The delights of the electric car with the economy of the Ford.
