# DEALER WANTED FOR WILLYS LIGHT

The announcement of Willys Light immediately opens an almost limitless opportunity for business men.

It means electric light and power for everybody, everywhere-for the millions of farms, small towns, estates and business enterprises that are without central power stations.

The experience, resources and world-wide reputation of Auto-Lite and its allied institutions, together with the 250 expert service stations-guarantee the success and magnitude of Willys Light sales. The Electric Auto-Lite Corporation is the world's largest builders of starting and lighting systems for motor cars.

The high character of the Willys Light proposition is attracting the highest type of business men. Our sales, service and advertising policy is on a sufficient scale to interest the most suc-

We are now contracting with dealers for territory.

We want men of sales experience who will devote their entire time to the exclusive sale of Willys Light.

Complete dealer information upon request, also book describing Willys Light. Wire or write.

Willys Light is a complete light and power plant-simple, durable, efficient. It has many exclusive improvements. It brings the comforts and conveniences of the city to the most remote farm and country places.
