The above table shows that Kent County has 1077 more Democratic registered voters than the Republicans and 735 more than the Republicans and those declining to affiliate combined. By allowing all of those who have declined to affiliate and 10 per cent of those who have affiliated as Democrats to vote the Republican ticket the Democrats still show a majority of 388. We do not for a moment concede that there will be 10 per cent of the affiliated Democrats who will vote the Republican ticket, but should that be the case the Democrats could still win by a handsome majority.

Voters, Judge for Yourselves Who Lies.

The Kent News stated in their editorial column last week that "the Republicans in Kent could not get their campaign lies told at home, so they secured a Baltimore reporter to come here and reproduce them in their organ, the American."

They evidently refer to the following, which appeared in the October 14 issue of the American:

"Ayres Regarded as 'Bolter'"

"The candidacy of Mr. Ayres, the Democratic nominee for Court Clerk, has, according to local voters, not struck a responsive note among either the life-long Democrats or the women voters. Neither have forgotten that last year, when Capt. George D. Iverson, Jr., came out as a candidate for the United States Senate on a wet platform, Mr. Ayres was one of the first signers of the petition asking him to accept the nomination and pledging him his support and vote. By this act he is thought to have bolted the Democratic party and to have aided in the defeat of John Walter Smith.

"The women voters, it is said, have not forgiven his casting his fortunes with the candidacy of a man pledged to work for the repeal of the Volstead Act. The nomination was given to him by the organization leaders, but it is said it had not the support of the Democratic voters, who, as one prominent Democrat said, think he should have knocked before he came in."

The proof of the above statement is in possession of the Chairman of the Republican State Central Committee and can be seen by any voter who is interested enough to inspect the original petition addressed to the Hon. George D. Iverson, Jr., Baltimore, Md., and which contains among various other things the following words:

"To The Honorable George D. Iverson, Jr., Baltimore, Maryland.

"Sir—We, the undersigned, qualified and registered voters of the State of Maryland, do hereby respectfully request and urge you to become a candidate for the office of United States Senator from Maryland.

"We further set forth a Declaration of Principles, to which we subscribe and propose for you to make your platform in the campaign, under a party title to be known as the "Peoples Party."

"We respectfully submit the Declaration of Principles and request, for consideration and acceptance, which, each of the signers here[illegible] you their vote and loy[illegible] the general election to [illegible]ber 2nd, 1920.

[illegible]aration of Principles [illegible]nd the repeal of the [illegible] stead act.

Conclusion

"Believing that neither of the great parties have kept faith with the people by their acts and performances, which are contrary to the guarantees of the Constitution, we submit to the qualified voters of this state for their consideration the foregoing 'Declaration of Principles' as a standard, and solicit their support and co-operation to help restore the original constitutional government, which has been temporarily abrogated through and by the acts of the two great parties."

Among the signers to this document appears the genuine signature of Mr. Robert R. Ayres, Chestertown, Md., the Democratic nominee for Clerk of the Circuit Court.

This petition was sworn to before Robert V. Moffett, a Justice of the Peace, and the affiant made oath in due form of law that he personally saw the signers in regards to whom he makes oath sign this petition. The date of the affidavit is August 12, 1920.

Voters, Republicans and Democrats, is a man entitled to your support who only a year ago denounced both of the great parties?

I ask you to consider:

Does a man's record count? It should and it will.

I respectfully solicit your vote, irrespective of party, upon my record as Clerk of the Circuit Court. My motto is: "Efficiency in office and service to the public."

Respectfully submitted.

A. PARKS RASIN.

To The Town Commissioners of Chestertown, Chestertown, Kent Co., Maryland.

Gentlemen—In connection with the recent rate hearings before the Maryland Public Service Commission it appeared that the Town of Chestertown might desire to purchase the Electric Light Plant. We, therefore, make the following offer of sale:

5th.—This offer of sale to be void after May 1st, 1922.

The Public Service Commission pointed out that large benefits and savings could be made by combining the Water Department and the Electric Light Plant. Very truly yours,
THE CHESTERTOWN ELECTRIC LIGHT & POWER CO.,
