DEMOCRATIC MEETING

LARGE AND ENTHUSIASTIC CROWD PRESENT—GOV. RITCHIE, WM. S. GORDY, JR., CANDIDATE FOR COMPTROLLER, AND CONGRESSMAN BENSON SPEAKERS

The Democratic meeting scheduled to take place Thursday evening in Firemen's Hall was largely attended, many people being unable to get in the building. The meeting has called to order by Robert Moffett, Chairman of the Democratic State Central Committee, who introduced Senator W. F. Russell, as chairman. Mr. Gordy, in his address, assured the people that, if elected, he would give them the best administration of the Comptroller's office that he possessed. Mr. Gordy is a banker and has had a long experience in finances; he is capable and deserves the votes and support of the people of Maryland. Congressman Benson and Governor Ritchie devoted a large part of their speeches to the importance of the election of the delegates to the legislature in order that the programme outlined by Gov. Ritchie and the committee for the reorganization of the various state departments may be carried out. Unless the Democrats, they contend, have a majority in the Legislature the program is doomed to defeat. They state that if this program is adopted it will reduce the expenses of the state about $500,000. They urged the voters by all means to vote for Messrs. E. C. Bowers and Charles L. Miller. They likewise pointed out the importance of the election of the full Democratic ticket and asked the voters to consider what has been accomplished by the Democratic party in this state. The local Democratic ticket deserves the support of the people of this county, because it is through the Democrats that the best results are obtained. Music for the occasion was furnished by our local band and was much enjo[illegible] those present.
