Letter—Voters Read

OBERT R. AYRES,
Chestertown, Md.

Dear Bob—I read with much satisfaction the testimonial I gave you when you were in Alabama.

It was only evidence of one of the many things I have done for you.

May I ask, what have you given me in return?

I have done similar favors for many others and I believe most of them will prove to be more appreciative friends.

My opinion of you, Bob, never changed because you became my opponent in this election. It changed for other reasons, Bob, and you know what they are and the public knows, too. I am sorry, Bob, but its true.

Yours truly,
A. PARKS RASIN.

VOTERS OF KENT

I was amused when I read in the Kent News an argument to vote for "Principles, Not Men." I consider this a high compliment they have paid to the Republican ticket. They evidently admit that we have men on our ticket.

I believe in voting for men and the principles will naturally follow.

If they care to argue the principles for which the two great parties stand I am indeed satisfied again. Have not the principles for which the Republican party stood made this great nation of ours what it is today? And who will deny that it is the greatest nation on earth?

But let's talk about Kent County and recent years. The Republican party stands for an economical government in county affairs, efficiency in office and service to the public. They have established a record from 1915 to date to which they can point with pride. They have given unexcelled service in every office to which they have been elected. They managed the county affairs with an average tax rate of $1.38½ for four years, 1915 to 1919, during the world war, when prices were highest.

Compare this record with the two years under Democratic control, 1919 to 1921. The first thing we get is a $2.51 tax rate and a lot of explanations. They spend $30,271.14 on the roads from Dec., 1919, to June, 1920, half of which time was winter. They let the county car be used for other than official business until a dreadful accident occurred. Then they make a political tax rate of $1.48 and tell you it includes everything. But if you will go to the Commissioners' office you will find now a certificate levy of $27,343.97. The $12,000.00 cash contingent fund is used up and the teachers went without pay for May and June salaries until September. The School Board held nearly $17,000.00 in orders on the Treasurer all summer.

In other words, the County Commissioners were asked to issued their checks, but several months funds to pay them for

Taxpayers,

think well before you vote of party,

The Republican party offers you a splendid ticket from top to bottom. They stand for economy, efficiency in office and service to the public. They are too well known to need any introduction. They have established records which speak for themselves.

Do not be fooled by partisan newspapers and politicians.

Compare for yourselves the Republican ticket with the Democratic ticket, man for man, from top to bottom, and vote for the best qualified man for the position he seeks.

Respectfully submitted,
A. PARKS RASIN,
Chairman Republican State Committee.

DRAWING TO A CLOSE

al campaign, which is be-
Kent County and through-
on Tuesday next, much to the
of the candidates and their friends
who have been hard at work for several months. We are satisfied that this is going to be a Democratic year. Democracy is in the air. Every section of the county in which we have been, and those heard from, report Democratic success. The Democratic majority in Kent we believe will be a substantial one. Their issues are popular, logical and satisfactory to the voters. What more could be asked or desired? The Republicans are putting up, we believe, a losing fight. Their issues are not clearly defined and the voters are not satisfied with them. The independent voters are openly expressing themselves as favoring the Democratic issues and will vote for them. We have been impressed with the interest manifested by the audiences at the various meetings, which have been held by the Democrats throughout the county. Some personalities have been injected in the campaign; otherwise the contest has been fought without bitterness. We appeal to every Democrat to consider well the issues before he splits his ticket. Remember the political reforms that are being enjoyed by our citizens were given us by the Democratic administrations. We have no harsh words to utter against the Republican party or against a single Republican candidate—their personal characters are unquestioned and they are numbered among our best citizens, but we cannot accept their issues. In our opinion the Democratic issues are progressive and constructive—full of common sense logic and food for careful thought. The principal issue in the state campaign is the reorganization of the State Departments for the sake of economy, as advocated by the Democrats. The Democrats are heartily in favor of this reorganization, which will save the tax payers of the state approximately $500,000 per year. This saving will, of course, reduce taxes. The Republicans are in favor of greatly increased representation for Baltimore City. The Democrats believe that Baltimore City's representation should be increased, but not to the extent advocated by the Republican party. This greatly increased representation advocated by the Republican party will naturally add to state expenses and increase the taxes. By voting the Democratic ticket you will vote for more efficient government and less taxes. We appeal to you, Mr. Voter, to vote the entire Democratic ticket and be one to help return this county to Democratic control.

To The Voters of Kent County

Ladies And Gentlemen:

The election campaign for the fall of 1921 has about drawn to its close. Since the date of my candidacy for the office of Clerk of the Circuit Court to the present time I have endeavored to refrain from indulging in personalities regarding my opponent, Mr. Rasin. In this I have succeeded, as will be corroborated by an absence of any such statements in the paper, and by every person with whom I have talked. I can truthfully say that I have not said anything directly or indirectly of an unkind nature against him and shall not in the future. Therefore in the review of my campaign I can proudly point to the fact that it has been clean. I concede that Mr. Rasin has been efficient in the performance of the duties [of] Clerk of the Circuit Court. So were [Mr]. Dr. Fisher and Dr. Beck,

WANTS A FLOUR MILLER

I have recently bought and come in possession of the so-called Trinks Flour Mill, located on Still Pond Creek. Am having same repaired, remodeled and enlarged and new machinery installed and the dam repaired and will be ready in a few days to operate the mill. And I take this occasion to notify the public and respectfully solicit their business and I shall use my best efforts to satisfy all reasonable demands and at all times to give my customers a square deal.

I also advertise for an experienced miller to run the mill—either to rent, run it on shares or try it first on monthly or daily wages.

All applicants call at the mill.
