Kent Co. Agricultural Council Meets And Indorses Agricultural Corporation

The principal business of the meeting last Wednesday afternoon of the Agricultural Council was a discussion of the Agricultural Corporation of Maryland. After a discussion of the entire subject the plan was unanimously endorsed. The Corporation will be state-wide, will incorporate for $250,000, which will be divided into 25,000 shares of stock at $10 per share. In order for a farmer to receive the benefits of this corporation he must own one share of its stock.

In order that every farmer may have the privilege of understanding the plans and purposes of the Agricultural Corporation of Maryland, the Council has secured Mr. C. E. Bryan, temporary president of the Corporation, to address a county-wide meeting to be held Friday evening, Nov. 18, at 8 p. m., in William Smith Hall, Washington College, in connection with the County Exhibit and Poultry Show.

WASHINGTON COLLEGE

A conference of the Maryland colleges was called together at the Baltimore Y. M. C. A. for the purpose of getting their views on disarmament. Mr. Purnell was sent as the representative of Washington College. The report that he brought back from the conference was to this effect: The college students of Maryland are in favor of disarmament and will send a resolution to this effect to the Disarmament Conference now being held at Washington. The students of this country are also called upon to send aid to the European students, who lack adequate food and clothing.

The Adelphia Literary Society gave a dance in the college gymnasium on Nov. 5, which was well attended by students and townsmen. The proceeds of the dance went to the athletic association. This makes the second dance given by that society. The Mt. Vernon Society gave an equal number of dances also. These facts are noticeable mainly for the new part the literary societies are taking in the social activities of the college. The cotillion club has one dance a month, and the literary societies have their dances during these intervals. So far [illegible] has been a dance at the college [illegible] and the lovers of the ter[illegible]re than fully satis-

At one moment idling— at the next the full power

IT IS fine to be sure of quick response when you want to jump your car ahead. It is just as necessary to be able to idle on a low throttle.

It is not so difficult to make a gasoline that will do either of these things well. But to produce a *balanced* gasoline that does both, that combines power, economy, clean burning and big mileage, took years of experience in refining, experiments with crudes from every producing field, innumerable tests in chemical and physical laboratories, and with thousands of automobiles of all types and under all conditions of service.

This *balanced* motor fuel is "Standard" Motor Gasoline of surpassing goodness. It is wonderful in volatility, flame speed, completeness of combustion a[illegible] mileage. It assures quick sta[illegible] rapid acceleration and unus[illegible] pulling power up heavy gra[illegible] Even in cold weather, when [illegible] perfectly conditioned gasoli[illegible] sluggish, you can operate [illegible] lean, clean-burning, econ[illegible] mixture of "Standard" [illegible] Gasoline. WEAK, NERVOUS, ALL RUN-DOWN

Missouri Lady Suffered Until She Tried Cardui.—Says "Result Was Surprising."—Got Along Fine, Became Normal and Healthy.

Springfield Mo.—"My back was so weak I could hardly stand up, and I would have bearing-down pains and was not well at any time," says Mrs. D. V. Williams, wife of a well-known farmer on Route 6, this place. "I kept getting headaches and having to go to bed," continues Mrs. Williams describing the troubles from which she obtained relief through the use of Cardui. "My husband, having heard of Cardui, proposed getting it for me.

"I saw after taking some Cardui . . . that I was improving. The result was surprising. I felt like a different person.

"Later I suffered from weakness and weak back, and felt all run-down. I did not rest well at night, I was so nervous and cross. My husband said he would get me some Cardui, which he did. It strengthened me . . . My doctor said I got along fine. I was in good healthy condition. I cannot say too much for it."

Thousands of women have suffered as Mrs. Williams describes, until they found relief from the use of Cardui. Since it has helped so many, you should not hesitate to try Cardui if troubled with womanly ailments.
