THE THIRD NATIONAL BANK

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

What Counts Most?

Every one wants to be independent. So do you. What counts most in getting there is the faculty of saving up money. Make a little extra money and put it in a reserve fund. Or, hold out of your earnings or income a fixed amount. Put this regularly in a RESERVE FUND at THE THIRD NATIONAL BANK. Having it makes it easier to accept the richer opportunities of life and keeps worry from your mind. A Reserve Account gives confidence and enterprise. We are with you on this plan. We invite accounts on the same basis on which we are serving our present customers. We render every service and accommodation consistent with prudent and conservative banking.

Safety Deposit Boxes not rented—in our new vault. Safety and protection for your valuable papers is a small matter. Four per cent. paid on savings business.

Following the ceremony Mr. and Mrs. Hurlock left by train for a wedding trip. They will reside in Massey.

Miss Sara Beatrice Crew, daughter of Mr. and Mrs. Clarence W. Crew, of Wilmington, formerly of Kent, and Jas. Eves Crowl, were married on Nov. 7, in St. Paul's M. E. parsonage by their pastor, Rev. C. L. Hubbard.

All Kent County is urged to contribute at least one article, more if possible. For the sake of suffering humanity, go up into your attics and look up the clothing you are keeping there and make use of it on Nov. 25. The goods will be all collected and a large truck from Batlimore will get it from certain points in Kent County and take it over as a whole. Full particulars can be obtained from Howard Turner, Betterton, Chairman, or Mrs. A. L. Harris, Betterton, Secretary.

The Clock of Time

Someone has said that "God's clock strikes but once in a thousand years. The shepherds on the plains of Bethlehem heard it strike One. Over the Caravansera it struck Two. Martin Luther at Erfurt heard it strike Three." Columbus heard it strike on the deck of the Santa Maria. As Rodney crossed the bridge of the Schuylkill it struck in the tower of Independence Hall. Methinks it struck Ten when Lincoln spoke at Gettysburg. Out yonder in shell shot Argonne an Unknown Soldier died and it struck Eleven. On Friday a sound was heard on the banks of the Potomac that rolls on to all the World—wasn't that the stroke of Twelve?—Neward, N. J., Post.

Crossley farm, in Quaker Neck, purchased by me at Mortgage Sale Tuesday, September 6, will be sold at private sale at a slight concession from the price, $8500, bid by me. The Ford Runabout

The Ford Runabout needs no advertising. About all we have to do is to tell you we can supply the demand with something like promptness and the selling is over. We have never been able to get enough from the factory to meet the demand and do not suppose we ever will get enough. There are more than four million five hundred thousand Ford cars in operation today, and of this number about three hundred thousand are in foreign countries, the rest right here in America, but we have one hundred and five to one hundred and ten millions of people and it looks from the way demand comes in that we will have to sell that many Runabouts before we satisfy the demand.

It is one great, little utility. It fits into every man's wants, from the physician to the worker in the factory, from the country blacksmith to the mill... ...oad owner, from the contractor and his employees ... tourage, almost as necessa...
