h Place Names.

of English place names their bewildering va- the fact that almost all n indigenous. At any rate, they are all rooted deep, from whatever original soil they came. Latin and Danish names have been weathered and mellowed in so many centuries of English history that one remembers only with an effort that they are not English in origin. Only the Norman names have the slightest tincture of foreign suggestion about them. French is still a rather tender exotic which needs to be trained against the sunny southern wall of the language. Beaulieu does not seem to belong naturally in Hampshire. But even to domesticate the names from the three or four other languages is no small triumph in verbal horticulture.—Christian Science Monitor.
