NOLAND

We seldom advertise prices; we leave that to our patrons, who lo-
cally have found this fact: it doesn't matter what it is, is always chea-
at Noland's than any other place. But just now we are overstocked in
all departments and instead of waiting until January we start our Jan-
uary Clearance Sale now.

Christmas Goods

Our nuts and candies are new, fresh goods. A fine French Mixture
at 12 1/2c. Plain and fancy mixture, the best, at 25c. Walnuts 29c
and up. Paper shell almonds, the best, at 35c. Splendid mixed nuts
at 20c.

Toys! Almost everything you can think of to suit the present
time.

Dolls! Have you seen your window? Nothing like it in town and
they are going fast. For the older ones our stock is composed of most
everything needed. When in our store you will find for mother, father,
sister and brother some useful article at a price much lower than you
will expect to pay. I may be rubber boots at \$2.60, or a boy's suit at
\$5.00, a nice woolen skirt at \$3.50, a good all-wool blanket at \$8.00, a
bed comfort at \$2.00 and up, a suit of Haines underwear at \$1.50, and
while we speak of underwear, we want to tell you we still have a com-
plete line of all cotton and woolen union and two piece suits at the
January prices.

Our rubber department is still complete in articles, rubber boots and
shoes for men, women and children. Come in and share in this Jan-
uary sale now; just the thing we are cutting prices on you need.
