DEAL AT HOME

Most of our merchants in Kent Co. and Chestertown have put on sale for Christmas large stocks of Christmas articles. Our merchants deserve the patronge of our home people and they should have it. It is impossible for local merchants to carry Christmas articles if our people go to the cities to make their purchases. In most cases you pay more for the same articles in the city than you would pay the local merchants, therefore there is no good or sound reason for leaving home to get your Christmas wants supplied. The prosperity of your county and of your town depends solely upon your help. Money spent at home may return to you a number of times, but money spent in the city is gone from your home town forever. If you will look at the articles in our merchants' stores, surely you will find something to please you. There are any quantity of useful articles there as well as many novelties. We ask our readers to consider well the "deal at home" proposition before going away from home to spend your money.

EXECUTIVE DEPARTMENT

Annapolis, Maryland.

Inasmuch as our public health agencies and the Maryland Tuberculosis Association, Inc., are waging a successful battle against tuberculosis, as evidenced by the declining tuberculosis death rate, tuberculosis having killed 2,934 of our people in 1918 and 2,148 in 1920, a decrease of 786 deaths in two years' time, and according to the estimate of the Tuberculosis Association a decrease of some 7,000 active cases.

In view of the fact that consumption is still one of the greatest, if not the greatest, health problems today in the State of Maryland.

In view of the fact that tuberculosis is both preventable and curable.

In view of the fact that it causes great suffering, enormous economic loss and poverty,

I, Albert C. Ritchie, Governor of the State of Maryland, hereby call upon all the people of the State to unite as good citizens in observing the Thirteenth Annual Christmas Seal campaign, the proceeds from the sale of which will be used in the work of the Tuberculosis Association in this State.

ANNUAL MEETING OF STOCKHOLDERS

The Annual Meeting of the stockholders of the Kent-Queen Anne's National Farm Loan Association of Chestertown, Kent County, Maryland, will be held at the Law Office of Sidney P. Townshend, in Chestertown, Kent County, Maryland, on the 9th day of January, 1922, at 11 o'clock a. m., for the purpose of electing Five Directors and for the purpose of transacting such other business as may properly come before said meeting.

SIDNEY P. TOWSSHEND,
Secretary-Treasurer

Rare Business Opportunity

Owing to my age and failing health, I have concluded to retire from the mercantile business. I therefore offer for sale my store property, stock of general merchandise and fixtures.

The store property is a large two-story building in excellent condition on a lot 30x181 feet. Fixtures are complete and up-to-date, including electric lights.

This is indeed a fine opportunity to step into a well established and paying business in the rapidly growing town of Betterton, Md. Will sell the business as a whole or will close out stock of goods and sell store property and fixtures.

To any one meaning business, I will cheerfully produce my books showing each year's business since I began fourteen years ago.

W. R. YOUNG,
Betterton, Md.
