THE THIRD NATIONAL BANK

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

What Counts Most?

Every one wants to be independent. So do you. What counts most in getting there is the faculty of saving up money. Put a little extra money and put it in a reserve fund. Or, hold out of your earnings or income a fixed amount. Put this regularly in a RESERVE Account at THE THIRD NATIONAL BANK. Having it makes it easier to get the richer opportunities of life and keeps worry from your mind. A Reserve Account gives self-confidence and enterprise. We are with you on this plan. We invite new accounts on the same basis on which we are serving our present customers. We render every service and accommodation consistent with prudent and conservative banking.

We have a few more Safety Deposit Boxes not rented in our new vault. The annual cost for this security and protection for your valuable papers is small. Call and let us talk over the matter. Four per cent. paid on savings accounts. We solicit your banking business.
