SPORTING NOTES

BASKETBALL SEASON RESUMED AT WASHINGTON COLLEGE—AMERICAN LEGION TEAM SCORES VICTORY OVER CAMBRIDGE—OTHER SPORTING NOTES

The basketball season at Washington College was resumed last evening, when the Philadelphia College of Osteopathy played on the local floor with the local Collegians. The game was probably a good one.

The St. John's College quint will be here next Friday evening to try conclusions with the local College team. This will be one of the biggest games of the year, because of the intense rivalry that exists between the two college teams.

The new player, Dumbolt, has proved to be quite a sensation at Washington College. He hails from Waterbury, Conn., and is said to be nearly as good as Carroll. If he is he is a good one.

The local American Legion team defeated the Cambridge quintet last Friday evening at that town before a big crowd of about a thousand by the score of 30 to 24. Cambridge was in the lead at the close of the first half, but as the second progressed the local team drew away from them and defeated them. The game was one of the best ever played at Cambridge.

Someone has called Killinger, of the Penn State team, a great football and baseball player. There is no doubt regarding the former and there a number of elevens who will agree with him.

Washington and Jefferson is about $70,000 better off through the western trip of their football team, besides, look at the advertising feature of being able to win practically a victory over the California team.

The new year has brought conditions in baseball which have never been seen before. Before a game is played in 1922 there may be more upsets which will cause the fans to wonder where the lightning will strike next, but today the men who make a business of betting are making the Giants a top-heavy favorite in the National League and aer niyalodgdstaoin tional League and are laying odds of 5 to 3 against the Yankees if Ruth stays out of the game until May 20. If the home-run king's banishment is remitted even money is the best they will offer against the American League pennant winners.

WASHINGTON COLLEGE

The Washington College Cotillion Club held its New Year dance in the college gymnasium on Friday evening, Jan. 6. The dance was well attended by both students and town people. The hall was beautifully decorated with red and green streamers and cuttings from fir trees. The color combination had a very pleasing effect and the air was perfumed with the sweet smell of evrgreens. The music was furnished by Bill Smith's orchestra, from Baltimore. The decoration committee consisted of D'Arcy R. Flowers, irman; Percy Donaghay and C. E. er.

ALL WORN OUT

Does morning find you with a lame, stiff and aching back? Are you tired all the time—find work a burden? Have you suspected your kidneys? Chestertown people endorse Doan's Kidney Pills. Ask your neighbors. You can rely on their statements.

Mrs. J. E. Allen, 511 W. High St., Chestertown, says: Doan's Kidney Pills are the best remedy I have ever found for kidney complaint. My kidneys were weak and in a disordered condition. I became run down and had no energy. My back often ached and pained me so it was all I could do to keep going. Headaches were frequent and kept me feeling miserable. The action of my kidneys was never regular. I used Doan's Kidney Pills as directed, from Toulson's Drug Store. They just suited my case. I have never had anything to act so quickly and relieve the aches and pains as Doan's. My energy was restored and my kidneys didn't trouble me, either."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Allen had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
