JOSEPH BRICE, Proprieter.

Bake things he likes with FLAVO FLOUR. It's healthful and tissue building. There is more nutrition and a sweeter taste in FLAVO FLOUR. It is made with a new process by the most modern mill in the world. Nature's food values and the delicious flavor of the wheat are not milled out as they are by other methods. FLAVO FLOUR is milled at home from home wheat. It is good. Buy it and patronize Home Industry.

THE MEASURE OF MAN

By The Iconolast

The place to take the true measure of a man is not the forum or the field nor the market place or the amen corner, but at his own fireside. There he lays aside his mask and you may judge whether he is imp or angel king or, cur, hero or humbug.

I care not what the world says of him, whether it crowns him with bays or pelts him with bad eggs; I care never a copper what his reputation or religion may be; if his babes dread his homecoming and his better half swallows her heart every time she has to ask him for a five-dollar bill, he's a fraud of the first water, even though he prays night and morn till he's black in the face and howls hallelujah till he shakes the eternal hills.

But if his children rush to the front gate to greet him and love's own sunshine illuminates the face of his wife when she hears his footfall, you may take it for granted that he's true gold, for his home's a heaven and the humbug never gets that near the great white throne of God.

I can forgive much in that fellow mortal who would rather make men swear than women weep; Who would rather have the hate of the whole he-world than the contempt of his wife—who would rather call anger to the eyes of a king than to bring fear to the face of a child.

The JOY OF LIVING

by

Sidney Gowing

Here Is a Delightful Comedy in the Form of a Serial Story Which We Feel Is a Real Kindness to Offer Readers

The little English heroine is a trump. The young Yankee hero is a fit partner for her; and they do become partners in one of the funniest adventures you ever heard about—thrilling, too! Innocently they get mixed up in a burglary which draws not only the local police of an English town, but the detective brains of the celebrated Scotland Yard upon their trail. And the girl's father was a bishop; think of the disgrace if she were caught!

Not a crime story at all, but the story of two joyful cherubs who were suspected of a crime. There are motorcycle trips over a charming countryside; circumstances which cause the climbing of trellises and the invading of ancient castles in the dead of the night; hiding in caves; subterfuges of all sorts, and through it all is the rollicking spirit of youth—just what its title implies—the joy of living. You will love sweet, audacious, nervy little Aimee, and you will have no less regard for dashing Billy, and even the Flying Sphinx, the wonderful motorcycle which figured in their adventures, will get into your affections like a thing of life.

IT IS A NEW SERIAL STARTING IN

A Yarn Without a Yawn in It!

The Joy of Living

By Sidney Gowing

If you want to see the age of romance re-created right here in the Twentieth Century, read this captivating tale.

Billy Spencer, from Colorado, steps into a thoroughly English picture and carries the occasion just like a knight of old. And the Honorable Aimee, daughter of Lord Scroope, acts right up to American ideals of enterprise and daring in furthering Billy's actions.

Romance does not suffer in the slightest degree, in fact is aided, by the delicious humor which enters the situations. Everyone in the story, excepting possibly a couple of burglars, is funny; and even they are interesting.

Save the papers, because you will want to read this tale a second time.

—The bill of Senator Gooding, Republican, of Idaho, to create a government wheat stabilization corporation, with $300,000,000 capital, was reported favorably today by unanimous vote of the Senate Agricultural Committee. A basic guaranteed price of $1.75 a bushel for No. 1 Northern wheat would be provided by the bill and would apply to the crop for the next three years. The corporation, on July 1 each year, under a committee amendment, would determine whether the $1.75 basic price should be changed.
