WASHINGTON COLLEGE

Mr T. Howes was formally presented with a gold medal by Dr. Gould which was given to the former by the Maryland Inter-Collegiate Oratorical Association. The last contest was held at Washington College, the latter part of last year. Mr. Howes who represented Washington College won the second place. For some unknown reason the medals were not awarded until just recently. This special occasion of presenting the medal was no less a surprise to the winner than to the rest of the student body. But that it was a pleasant surprise was evidenced by the loud applause of the assembly.

The Washington's Birthday Hop was given by Cotillion Club, in the College Gymnasium, February 21. The hall was beautifully canopied with red, dows were coverel withetaionshrdnl white and blue streamers. The windows were curtained with white crepe-paper curtains, each of which had in its middle a red paper hatchet. Near the north west stairway was placed an imitation cherry tree. Each dancer was supplied confetti and colored paper streamers. On the programs were pasted little paper hatchets and cherries done in red, white and blue colors. There were several other little novelties that made this dance stand out as different from the rest. These novelties are some of the characteristice of the Cotillion dances held at the college this year. Every dance this year brought some pleasant novelty, little surprises, something new which harmonized with the general scheme of arrangement made each dance stand out by itself and tendered to impress the public that it was always better than the preceding one. The attendance at the last dance was especially large and the music was excellent. The decoration committee included Luther Cooper, chairman; Leroy S. Heck, Preston P. Heck and Robert White. The music was furnished by the Como Novelty Six.
