COUNTY AGENT'S NOTES

The Kent County Agricultural Council met in the County Agent's office last Saturday, April 7th, and decided to hold the Farm Bureau campaign for membership during the little slack period this summer. A good attendance of the Council was present.

The Pomona Grange of Kent County will hold its Spring meeting as guests of the lively Still Pond Grange at the Grange Hall in Still Pond next Saturday, April 21st. Speakers of interest to every farmer and his family as well as all other Kent Countians, will addres the meeting. They are: Mr. E. C. Remsberg, Pomona, Master of Frederick County Grange, and Dr. W. H. Walker of California. Dr Walker is Vice President of the American Farm Bureau Federation, President of the California State Farm Bureau, and an official of the Citrus Fruit Growers Exchange. Every farmer professional and business man of Kent County will do well to hear Dr. Walker. Open meeting and speaking will begin about 2:00 o'clock.

Kent County Produce Exchange held a meeting last Wednesday in the Court House which was attended by ninety-four representative farmers of Kent and nearby Queen Annes Counties. The subject enthusiastically discussed was the tomato business. It was the sense of the meeting that farmers should receive 25 cents per basket for tomatoes with baskets furnished by the canners this year. It was also agreed that at this price, there would be but little profit for the tenant growers.

Resolutions Of Respect

At the meeting of the Board of Directors of Chestertown Bank of Md., held April 11, 1923, the following resolutions were adopted:

Whereas, Almighty God, in His infinite wisdom, has deemed it best to remove from our midst our beloved president, William W. Beck, who had been associated with this bank for many years.

Resolved, That we feel deeply the loss of Mr. Beck as the leader of our Board, and it is with sincere feeling of sorrow and regret that we are called upon to record his death. To be associated with him was to love him, and in all his deliberations and dealings with his fellow-man he was courteous, sympathetic and fair. That we shall miss his wise counsel and advice in our deliberations and his genial presence.

Resolved, That we extend to his family our most sincere sympathy in their bereavement.

Resolved, that these resolutions be entered on the records of bank and a copy sent to the bereaved family and a copy to the county papers.

By order of the Board.

JAMES W. CHAPMAN,
ALLAN A. HARRIS,
W. B. USILTON,
Committee.

—L. A. Pennington & Co., of Kennedyville, have just completed for Supplee, Wills & Jones at Townsend, Del., a milk plant, 40x62. The building is of cinder concrete blocks and has a capacity of 500 cans of milk per day.
