Who Can Beat It?

The pet dog of Mrs. Snowden Maslin, of Chester, Pa., brought back a roll of bills worth $450, with which it had been playing for several days, quite unmindful of its mistress' frantic search for the money. Mrs. Maslin dropped the money while doing her housework. Several days later, while she sat wondering what could have become of the bills, the dog approached her and began trying to life her arm with its head. She glanced down just as the dog dropped the money in her lap. Mrs. Maslin and her husband and family formerly resided at Rock Hall, Kent County.—Wilmington Every Evening.

Fine Apples

Col. Samuel Wallen brought to The Transcript office Tuesday some fine apples which he picked up off the ground in his orchard the first of last November. The apples showed the bruises sustained from falling on the ground, otherwise they were in perfect condition. There was not a decayed spot on them. They were of the Gano and Stayman variety. The genial colonel has a secret of keeping apples which he will not devulge. It is to be hoped the colonel will unburden his bosom before he passes to the great beyond so those who are left behind may have the benefit of this valuable apple-keeping knowledge. The colonel challenges the state to beat his recipe.

Near East Relief Service

The splendid, sacrificing, volunteer service given the Near East Relief by Mrs. Evelyn Harris, of Betterton, Md., is most highly commended by Harold F. Pellegrin, State Director of the relief organization, in a communication sent this paper and asking its publication.

Mrs. Harris, says Mr. Pellegrin, has spoken in churches, schools and neighborhood community halls, presenting the appeal of the Near East Relief, not only in this county but in other counties of the state. Mrs. Harris has planed a Bundle Week in this county which began Monday and continues until Saturday (May12) for the relief organization and is now assisting on a Bundle Week for Queen Anne county. Clothing is asked through these Bundle Weeks for the work of the Near East Relief among hundreds of thousands of refugees, women and children, and the orphans under care of the relief organization.

Mrs. Harris made it possible for Kent county to go over the top in its relief quota both last year and this year. Kent was over the top in advance of the end of the fiscal year. three months in advance, by April 1.

The Chestertown Bankof Maryland Awards Prizes

To Members of the Pure Bred Pig Club of Kent County.

We have just received from our County Agent, Mr. Horace B. Derrick, the following letter, awarding prizes to the Boys of Kent County who are winners in the PURE BRED PIG CONTEST, this bank having offered the prizes:

CHESTERTOWN, MD., MAY 1, 1923.

THE CHESTERTOWN BANK OF MARYLAND,
Chestertown, Maryland.
Attention—Committee on Boys' Club Work.
Gentlemen:

I take pleasure in announcing to you, first, the results of the Pure Bred Pig Club Work conducted in Kent County during the past year under my supervision, in which your Bank was co-operating.

There were twenty-eight Pure Bred and Registered Pigs raised by Kent County Club Members during the past year and nine Registered Sows and Litters. As a result of this Club Work, the coming year will see a material increase in the Pure Bred, Registered Pigs in Kent County.

The value of this Club Work may be readily seen by citing the record of a 12-year-old Club Member, Wilbur Morris, Jr. Wilbur ought, on June 7th, through the County Agent, a March pig. On June 7th the pig weighed 61 pounds. Wilbur fed the pig as instructed in Club Work until the 25th of November, when she was weighed and found to weigh 363 pounds, a gain of 302 pounds during that period. The feed record showed a total cost of $12.00 for this pig during the period of June 7th to November 25th. Wilbur's pig is of excellent type. At 20 cents per pound, she was worth on November 25th, $72.60. Many of the other demonstrations are about as interesting.

I have very carefully gone over every Pure Bred Pig Club Member's Record and calculated the results as given below. I have also set opposite the names of these ten winners of the contest, the amounts you offered as prizes. These places were calculated upon the basis of: Net Gain 25 per cent, Net Profit 25 per cent, Type of Pig 30 per cent, and Record Book 20 per cent.

THE TEN WINNERS

1st—Wilbur Morris Jr., Worton	$10.00
2nd—Lawrence Lee, Lynch	8.00
3rd—William Loiler, Worton	6.00
4th—Walter Morris, Jr., Chestertown	5.00
5th—William Bolin, Millington	4.00
6th—William Anderson, Chestertown	3.00
7th—David Nickerson, Kennedyville	2.50
8th—Howard Owens, Betterton	2.00
9th—Franklin Moffett, Worton	1.50
10th—Joseph Peacock, Massey	1.00
	$43.00

The co-operation of your Bank greatly stimulated interest in this work in Kent County. The introduction of these Registered Pigs and the training and demonstrating in the feeding and management of same will, beyond question, be a worth while asset to Kent County.

Sincerely yours,
HORACE B. DERRICK,
County Agent, Kent County.

We congratulate the boys who have taken part in this contest and admire the spirit of enterprise and initiative and hope it will spread throughout the county, and that many more names will be enrolled for the coming year.
