The Standard of Comparison

For Cross Country or City Driving

From the handsome luggage trunk on the rear to the nickeled drum head lamps the Buick four cylinder touring sedan has an air of smartness that is distinctly new in a motor car of its price.

This model combines the rich luxury of the fine closed car with practical every day utility for business and social motoring. Touring is made comfortable by the luggage facilities the trunk provides and by the broad vision afforded by the wide windows.

Fitted with every convenience for comfort in winter and summer and completely equipped for restful driving and riding, the four cylinder touring sedan is recognized everywhere as an exceptional motor car value.

U. OF M. PREPARING FOR FARMERS' DAY

GOVERNOR RITCHIE TO MAKE PRINCIPAL ADDRESS AT COLLEGE PARK ON MAY 26.

BALL GAME WITH HOPKINS

Those who attend the Farmers' Day exercises of the University of Maryland at College Park on May 26th will have to have nimble feet and unusual vision if they are to take in all that is scheduled for that day.

H. J. Patterson, director of the Agricultural Experiment Station, and chairman of the Farmers' Day Committee, has completed the program for the day and it calls for something interesting from early in the morning until late in the afternoon.

Every department of the University will have a part in entertaining the visitors, who will be given a view of the many practical things that the institution is doing to further the development of the State.

Governor Ritchie will make the principal address, which is scheduled for 2 o'clock, and a little later in the afternoon will be present at the laying of the corner stone of the new armory and gymnasium, which is to be dedicated in honor of him.

One of the features of the day will be a baseball game between Johns Hopkins and the University of Maryland.

The complete program is as follows:

8:30 A. M. to 2 P. M.—Exhibition and demonstration in all departments.

9 A. M. to 1 P. M.—Demonstration in forestry in State Forestry tract.

9 A. M. to 12 M.—Exhibition and drill by Military Department.

9 A. M. to 1 P. M.—Demonstration by Boys' Clubs at outdoor auditorium.

10 A. M. to 12 M.—Moving pictures in auditorium.

11 A. M. to 1:30 P. M.—Luncheon (free to all visitors).

1:30 P. M.—Farmers' Day exercises. Music by University musical organizations. Address by Governor Ritchie. Awarding of Farmers' certificates of merit. Exhibition and demonstration by Home Demonstration and Home Economics Department, "Training for Home Making."

3 P. M.—Laying of corner stone of new armory and gymnasium.

4 P. M.—Baseball game—Maryland vs. Johns Hopkins.

In addition to showing the work of the departments of each school and college in a general way, any visitors who may wish more detailed information than that given by this method will be turned over to some one in the department in which he is particularly interested and furnished all the data desired.

In fact, it is planned to care for every visitor as completely as possible. There will be located at each point where visitors arrive guides and information booths.

The reception committee will be made up of the members of the faculty, assisted by the wives. The guides will be selected students who will be trained for their work. One will be allotted to each ten or fifteen persons, the groups being formed by the reception committee.

In this way outstanding features of the University life may be depicted. The visitors will be shown the manner of conducting classes, laboratory practice and investigations; the Experiment Station staff will display their facilities for work and the Extension Service will show some phases of demonstration which it is pushing in the State this year.

MILLINGTON

The regular monthly meeting of the W. H. M. S. of Asbury M. E. Church was held on Thursday evening of last week at the home of Mrs. John Bottomley.

Miss Helen V. Numbers spent the week with Mrs. W. J. DeFord, near Lankford.

Mr. George S. Everett has sold his farm, "The Oaks," near town, to Mr. George Dill, of Philadelphia, and removed on Monday last to the Baker farm, near McFadden Mill, recently purchased by his son, Mr. Lewis Everett.

Mrs. T. C. Meginnis, of Wilmington, was the guest this week of her sister, Mrs. C. M. Hurtt.

Mrs. John B. Phillips spent Friday of last week in Wilmington.

Miss Ella Jones is quite sick at her home on North Sassafras St.

Mrs. Annie S. Price, of Viola, Del., and Miss Helen V. Price, of New York, visited the former's son, Mr. Paul C. Price, near town, on Thursday of last week.

The teachers of Millington School attended the Teachers' Association in Chestertown on Friday of last week.

Miss Mary Feddeman, of Baltimore, spent Sunday with her parents, Mr. and Mrs. R. E. Feddeman.

Those attending the Episcopal Convention at Easton on Wednesday of last week were Rev. Saunders, Messrs. Paul Comegys, E. T. Massey, S. T. Pippin, Mrs. Eva C. Sykes and Miss Edna Strong.

Mr. and Mrs. Charles D. Moore, of Baltimore, and Mr. and Mrs. Elwood D. Moore, of New York, are guests this week at the home of Mr. and Mrs. John G. Moore.

Mrs. Ida B. Numbers this week attended the annual sessions of the State Convention of the Daughters of America of which she is a member, held in Baltimore.

The Millington Electric Light and Power Plant is again out of service. This time it was caused by a muskrat lead, causing a washout of the earth embankment, which will take considerable time and money to replace. Fortunately, a new oil burning engine is being installed, which we expect completed in a few days, when the lights will be on again. We shall be very fortunate in the future to have this splendid reserve power upon which we can depend and by its use can avoid any further inconvenience hereafter.

Mrs. John E. Woodall and Mrs. Harry Catts svent Friday of last week in Wilmington.
