Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of Chas. H. Fletcher on the wrapper all these years just to protect the coming generations. Do not be deceived. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Never attempt to relieve your baby with a remedy that you would use for yourself.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Comfort—The Mother's Friend.

HEARN GASOLINE

Is Uniform and Dependable because it is tested before it is sold

A test to which all Hearn Gasoline is subjected is the Sulphur Test. This is important to every user of Hearn Gasoline.

Equal quantities of Hearn Gasoline and a mixture of distilled water, caustic soda, and litharge are shaken up in a bottle; then the gasoline, which is lighter, rises to the top. Should a light brown ring show between the gasoline and the heavier mixture, it would indicate the presence of a trace of sulphur. Should a dark cloudiness appear in the heavier mixture, it would indicate sulphur in greater quantity.

Sulphur in gasoline corodes certain metal parts with which it comes into contact. Corrosion frequently results in valves not seating properly; it causes the early replacement of valves and other parts.

Hearn Gasoline never has the faintest trace of sulphur. It is always tested for sulphur before it is sold. The name "Hearn" on a filling station assures you of a gasoline that will not injure your motor in any way—because it has been tested and found to measure up to the Hearn specification.

ANOTHER SPECIFICATION, EQUALLY IMPORTANT, TO WHICH ALL HEARN GASOLINE IS SUBJECTED, WILL BE EXPLAINED IN THE NEXT ADVERTISEMENT.
