ENTRANCE EXAMINATIONS

Engineering Scholarships

Entrance examinations, under the auspices of the College Entrance Examination Board, will be held June 18-23, 1923, in the Civil Engineering Building, Homewood, beginning at 9 A. M. each day.

Applications for Scholarships in the School of Engineering, established under provisions of the Laws of Maryland, Chapter 90, 1912, will now be received. If there is more than one applicant for a particular scholarship, competitive examinations must be taken September 21, 1923, beginning at 9 a.m.

Each Legisaltive Distirct of Baltimore City and each County of the State, with the exception of Howard, will be entitled to one or more scholarships for the year 1923-1924, in addition to those already assigned.

Under the provisions of the Act of Assembly, the County and City Scholarships in the School of Engineering are awarded only to deserving students whose financial circumstances are such that they are unable to obtain an education in Engineering unless free tuition be granted them.

The Scholarships entitle the holders to free tuition, free use of text books, and exemption from all regular fees. One of the scholarships in each County and in each Legislative District of the City carries also the sum of $200.

Scholarships may be awarded to graudates of Loyola College, St. John's College, Washington College, Western Maryland College, University of Maryland (Maryland Agriculture College), Mt. St. Mary's College and Rock Hill College.

Address The Registrar for blank application forms and for catalogues. The next session begins Tuesday, October 2.

MINUTE TALKS BY THE Business Men's Association

TEN REASONS WHY YOU SHOULD JOIN

1. **Its Purpose.**—The Association is organized to forward those public interests that have long been neglected—civic and commercial—because "everybody's business is nobody's business." The sole object of the Association is the public good.

2. **Its Membership.**—Because membership in the Association is open to everybody without distinction of any sort—a democratic institution in the best sense of the word—the old town meeting restored.

3. **Its Method.**—Free speech and open handed dealing are employed on the public questions large and small, which arise in the community.

4. **Cooperation.**—Membership in the Association shows your sympathy with an organized effort to better the town and life within it. The things that are worth doing are brought to successful issue only through united demand and interest.

5. **Your Duty.**—If a man can afford $10.00 to join the Association it is a public duty to make that contribution for the development of Chestertown.

6. **Re-Acts on You.**—A man in business is broader and more successful when he has a more active interest in municipal affairs, civic and commercial.

7. **A Chance to Work.**—As a member of the Association you are afforded an opportunity to work for the conditions you have, as a citizen, long hoped for; you can help things happen.

8. **You Get Out What You Put In.**—If one gives his best efforts he is justified in looking for results favorable to himself, material and ethical. He profits in dollars and cents through the increased prestige of his city; but best of all in personal satisfaction at having come out of his own shell of self-interest and broadened his horizon.

9. **For Future Generations.**—He is a small man, if not mean, who cares only for his own success and for the prosperity of his own generation alone. Therefore the broad-minded citizen seeks to ally himself with those forces that are building the Chestertown of the future, for his children and his children's children.

10. **In Short.**—The Business Men's Association movement ought to prove a big impetus to the growth of the town in every phase of its life. Don't you want a part in this?

—While repairing a fence on his farm near Kennedyville one day recently, with the assistance of one of his farm hands, Roger Kennedy was struck on the head and rendered unconscious by a hammer in the hands of the laborer. The occurrence was purely accidental.

Chestertown Colored Man Wounded

During a fracas, which occurred in the dance hall conducted by colored people on Calvert street, near Mill St., Wednesday night, Dennis Holland, colored, was badly wounded by a pistol ball at the hands of James Thompson, also colored, and was taken to Easton Hospital, where he is in a precarious condition. Thompson was arrested at Mr. Clay Lusby's farm, near town, he making no effort to escape, and claiming self-defence.

Talbot Justice Takes Queer Turn

Robert Milanicz, who was turned loose by Sheriff Ira Caulk, of Talbot County, last March while on his way to the House of Correction to serve a 12-month term on a charge of violating the local option law of the county, was taken from the Central Police Station recently by Deputy Sheriff William Natt. The Talbott Deputy Sheriff and City Detectives Martin and Boniarski started for the House of Correction with him, where he began to serve his term. No steps have been taken to proceed against Sheriff Caulk for having released Milanicz. It seems that the sheriff released the man last year, on the way to the House of Correction, believing him to be innocent of the charge for which he was sentenced.

Rock Hall Progressing

Rock Hall, since the establishment of the Ferry Line, has become the gate way of the upper half of the Eastern Shore. The growth of the town is evidenced by a great amount of building. In fact, we believe that more building has been done in Rock Hall within the past year than in any other town in the county.

The building of a fine road through the business section has greatly improved appearances. The new road from Rock Hall to the Ferry has afforded many building sites and quite a number of fine homes of the bungalow type have been built. Rock Hall, being at the entrance of East Neck, Skinner's Neck and Piney Neck, and almost directly on the Chesapeake Bay, is ideally located. It is near Baltimore and affords a summer resort for many Baltimore people. It is the center of trade for people at the lower end of the county and is near some of the best oyster and fishing grounds in the Chesapeake Bay. We hope that the town will continue to boom.
