The Board of Managers of the Peninsula Church Extension of the Methodist Protestant Church held an important meeting in the new Methodist Protestant Church of Salisbury on July 1st. About fifty of the leading ministers and laymen of that demnomination met for luncheon and took part in the business conference that followed. The meeting was conducted by Mr. Fred P. Adkins, President of the society.

After a full discussion of the work and possible plans, the meeting decided to raise two thousand dollars for the work of the Society. The money will be secured on July 15 and July 22 by collections taken in the churches. There will be a wide exchange of pulpits and different ministers will solicit this money in different churches. Definite allotments have been made to the several churches and it is expected that the full sum will be contributed.

The larger part of the money will be spent in the Peninsular Church of Wilmington. This new and growing church was initiated by the Church Extension Society about three years ago. One of the finest church edifices in Wilmington has ben erected under the pastoral leadership of Rev. L. B. Smith. It is the church home of many from the Eastern Shore who now reside in the Metropolis of Delaware. In a short time this strong and growing church will be self supporting, but for the present it needs the assistance of the denomination. When the duty of the Church Extension Society has been performed in Wilmington it will undertake work at other places on the Peninsula where church extension is needed.

After the business meeting the Church Organist gave a short and delightful recital on the new ten thousand dollar organ which has been recently installed in the Methodist Protestant Church of Salisbury.

Mrs. L. E. Barrett, Misses Mary Anderson, Marjory and Audrey Sard Carrie Bounds and Alice Bennett are attending the Epworth League institute held this week at Dover.

CANDIDATE FOR SHERIFF

At the solicitation of many of my friends, I hereby announce my candidacy for sheriff of Kent county, subject to the Democratic primaries.

m26-tf. L. J. KEYSER.

TO THE DEMOCRATIC VOTERS OF KENT COUNTY, MARYLAND.

Ladies and Gentlemen:

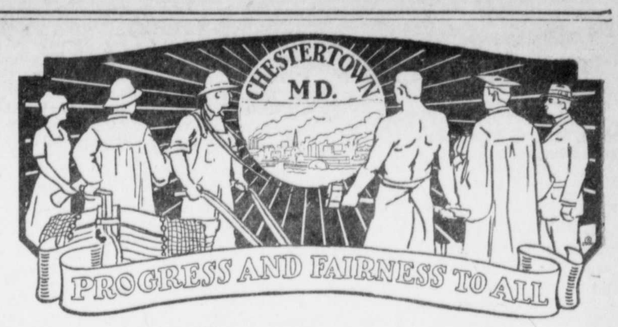

Having recently received several letters from different sections of the county, and having been asked by a number of loyal party people, both men and women, to present my name again as a candidate for the Democratic nomination for State Senator, beg to say that, after a careful consideration concerning this matter, I have fully concluded to do so.

While thus announcing myself, I cordially ask for your assistance and trust that you may be able and willing to give me your earnest and active support. Should I succeed in receiving the nomination at your hands, and then be fortunate enough to win at the polls in November, it will be my pleasure and my pride to discharge the duties of said office with promptness, uprightness and courtesy to all.

My attachment to the party which won my early allegiance has grown stronger with the passing years, and I hope to be worthy of your confidence and endorsement once more. I regard the State Senatorship as an important public trust, but as not pressing any special claims for fitness upon my fellow-citizens in this connection.

Realizing my many shortcomings and imperfections, I humbly await the verdict of my party, and by this verdict I nom promise to abide.

Faithfully yours,
WILLIAM F. RUSSELL.

Minute Talks by the Business Men's Association of Chestertown

HAIL AND FAREWELL

It is with deep regret we learn of the impending resignation of Mr. C. A. Goodwin from the presidency of the Association. As one of the founders of the organization he early realized the importance of such a body of men to the town and the community at large and from its inception he has taken the most active interest in its affairs. Due largely to his untiring efforts in the furtherance of its aims, he was elected to his present office and since then has lent his best energy to the development of a wide and useful program of work. We cannot speak too highly of his laudable public spirit and of his practical application of the principles of community service.

Graduated from the Northeast Manual Training School of Philadelphia in 1912, Mr. Goodwin entered the Ford Motor Company and passed through every phase of Ford activity, being finally made a travelling agent in the territory which includes Kent County. It was then he decided to locate in Chestertown and his subsequent building up of a thriving and successful business proved the wisdom of his course.

From the beginning he took a decided interest in matters of community betterment and spared himself no pains in doing his share of the common labor, frequently, at great personal sacrifice. As a member of the Board of Town Commissioners, to which he was elected shortly over a year ago, he manifested the same generosity of public spirit characteristic of all his work.

In his new and wider field of endeavor, the Association bespeaks for him the continuation of a successful and useful career. He will remain an active member of the organization and will continue his interest in Chestertown affairs.

Mr. Goodwin—hail and farewell!
