Letter of Omar D. Crothers, Democratic Candidate for the Nomination of Associate Judge of this Judicial Circuit to the Democratic Voters of Kent County.

At the solicitation of a great number of people in Cecil County, and elsewhere, I have decided to be a candidate for the Democratic nomination for Associate Judge in this Judicial Circuit.

Personally, I believe that every County in the Circuit should have a resident Judge, but as the Constitution of the State provides that there shall be only three Judges for the five Counties of Cecil, Kent, Queen Anne's, Caroline and Talbot, it necessarily follows that two of the Counties must abide the inconvenience of not having one.

Therefore the question which the voters are to decide in the coming elections is which two of the three Counties, Cecil, Caroline or Queen Anne's, shall be put to this inconvenience, or rather which will be most benefited by a resident Judge, as the counties of Talbot and Kent each have one (Judge Adkins in Talbot and Judge Wickes in Kent), whose term will not expire for a number of years, and therefore are provided for in this respect.

In deciding this question, it would seem reasonable that the decision should be in favor of the County having the largest population, the largest amount of legal business, the most terms of Court, and the one whose people are the most inaccessible to a Judge. Cecil county has a population of 23,612 as compared to 15,641 in Queen Anne,s, and 18,652 in Caroline, (census of 1920.) Cecil County has three Jury terms of Court as compared with two in each of the other Counties of the Circuit. Elkton, the County seat of Cecil County, is thirty-six miles from Chestertown, the home of Judge Wickes, and seventy-two miles from Easton, the home of Chief Judge Adkins, as compared with Centreville the County Seat of Queen Anne's, which is sixteen miles from Chestertown, the home of the nearest Judge, and twenty miles from Easton, the home of the Chief Judge, and as compared with Denton, the Countyseat of Caroline, which is about twenty miles from Easton.

Caroline and Queen Anne's Counties are, therefore, much more accessible to a Judge than is Cecil County.

From these facts, it has always been recognized in the past that Cecil County should have a resident Judge, and it would have now, except for the untimely death of the late Chief Judge Albert Constable, who died after he times inconvenient to have to go to term for which he was elected.

At the present time there is no candidate for Judge in Caroline County, and my information is that there will not likely be any, so that, in realty, the question to be decided is whether Queen Anne's County or Cecil County will be most benefited by the Judgeship. Senator Legg, one of the candidates for Judge from Queen Anne's, recognizes the claims of Cecil County to the Judgeship in his published statement to the voters of that county, in the following language: "I fully realize that it is a long drive, and many ties inconvenient mto have to go to Chestertown, and at times still further to Centreville, when matters need the attention of a Judge."

From the above statement of facts, if you believe that Cecil County will be more benefited by having a resident Judge, and less inconvenienced than Queen Anne's County, which has a Judge residing on either side of it, then I ask for your support and the people of Cecil County believe and hope that you will at this time recognize its claims.

Assuring you that I will appreciate whatever support you may give my candidacy, I am,

Very truly yours,
OMAR D. CROTHERS.
(Political Adv.)

SENATOR J. H. C. LEGG

Candidate for Associate Judge of the Second Judicial Circuit

Mrs. Mary Hitchins, of Wilmington, spent last Sunday with Mrs. Maggie Poore.

Miss Ethel Jones, who went to Philadelphia about two months ago for treatment for her eyes, returned home last Saturday.

Quite a few from here attended the carnival at clayton, Del. this week.

TO THE DEMOCRATIC VOTERS OF KENT COUNTY, MARYLAND.

Ladies and Gentlemen:

Having recently received several letters from different sections of the county, and having been asked by a number of loyal party people, both men and women, to present my name again as a candidate for the Democratic nomination for State Senator, beg to say that, after a careful consideration concerning this matter, I have fully concluded to do so.

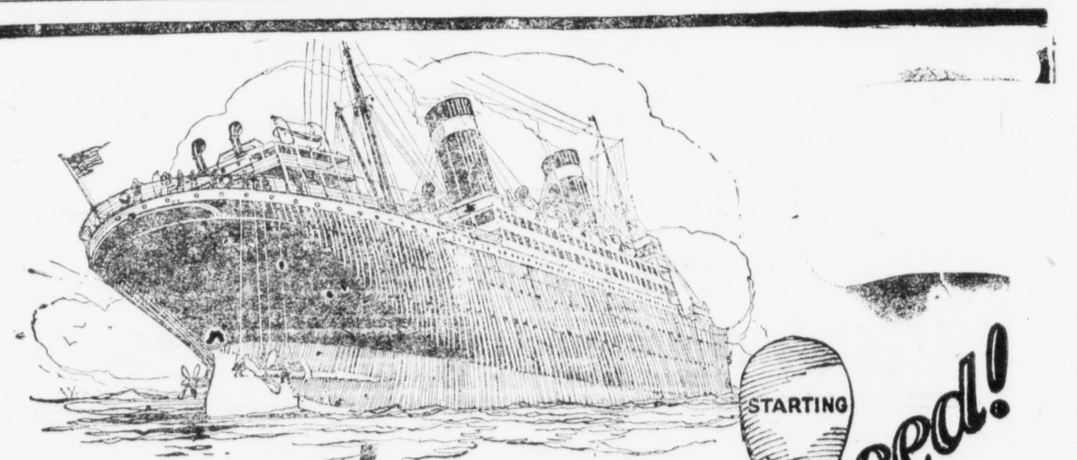

While thus announcing myself, I cordially ask for your assistance and trust that you may be able and willing to give me your earnest and active support. Should I succeed in receiving the nomination at your hands, and then be fortunate enough to win at the polls in November, it will be my pleasure and my pride to discharge the duties of said office with promptness, uprightness and courtesy to all.

My attachment to the party which won my early allegiance has grown stronger with the passing years, and I hope to be worthy of your confidence and endorsement once more. I regard the State Senatorship as an important public trust, but as not pressing any special claims for fitness upon my fellow-citizens in this connection.

Realizing my many shortcomings and imperfections, I humbly await the verdict of my party, and by this verdict I nom promise to abide.

Faithfully yours,
WILLIAM F. RUSSELL.

Balance!

at sea and on land-

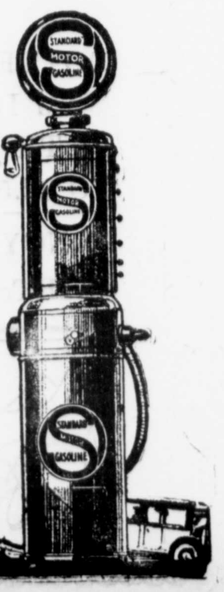

A GREAT ship far out at sea was shaken by an ominous shudder. One of the four propeller blades had been thrown off and before the engines could be stopped the driving shaft began to pound and whip. Sailors dangling in a rope sling went over the stern and chiseled off the opposing blade. Afterwards, with power reduced but balance restored, the vessel made port.

When a cylinder is missing your car goes by jerks. Its power plant is unbalanced. The gasoline that *feeds* your motor must be balanced. A refining experience of more than half a century and constant research have produced a finely balanced motor fuel called "Standard", the gasoline that gives you instantaneous starting and swift pick-up—maximum power and high, economical mileage. You don't have to turn out of your way to find this balanced gasoline. Every pump you meet with the red "SO" on the globe dispenses this all-round motor fuel. Use it exclusively for all-season economy and satisfaction.
