Vote for Mr. Copper and the ticket he is leading in the primary and you can be proud of your choice.

A DISTINGUISHED RECORD

THE Democratic voters of Kent County are exceptionally fortunate in having before them in this primary a man whose record clearly shows that he is well capable to add honor to Kent County if elected to the Senate.

Mr. Copper was cashier of the Second, and later, The Third National Bank, from 1890 to 1922 He has been President of the bank since January, 1922. For four years he was President of the Kent County School Board. He was Chief Judge of the Orphans Court for four years. He was President of the Maryland Bankers' Association from 1909 to 1910 and was elected a member of the Executive Council of the American Bankers' Association in 1913 for a three-year term. Mr. Copper was candidate in the Democratic primaries for Comptroller in 1915 and carried Kent County by 291 votes, but was defeated in the state.

Mr. Copper's record speaks for itself. It shows that he is a recognized figure in the financial world, that he is familiar with the management of affairs in Kent County and that he is well capable of fulfilling any position of trust to which the voters of Kent County may elect him. He knows the farmers' needs. We know of no man in Kent County who has been honored by such a distinguished record. It is perfectly safe to trust to the judgment of such a man as this any issue which might come before him in the Senate. Democratic voters of Kent County, take advantage of the opportunity and nominate and elect Mr. Copper to the Senate.

Mr. Ellsworth Bowers' record, in the House of Delegates will bear strict examination. He has always voted for the best interest of the citizens of Kent county. His aim has been to pass no laws which will add to the taxpayers' burden. He believes in submitting important questions to the vote of the people on referendum. Mr. Bowers should be re-nominated, as his record for the past two terms in the Legislature entitles him to re-nomination.

Mr. Herman Jacobs is a young man of pleasing personality and full of energy and enthusiasm. He is of that vast group of watermen which make up a large part of the population of the county and is equipped to represent Kent County in the Legislature. We have no doubt that, if nominated and elected, he will make good. He has been successful in his occupation and will make good if sent to Annapolis.

Mr. Clarence Newsome, of Betterton, a business man, is well capable of filling the office of Treasurer. He is very popular in his home town, Betterton, and throughout the county. His candidacy is meeting with approval everywhere and we believe that Mr. Newsome will be the Democratic nominee for Treasurer in November.

Mr. Nicholas V. Waters of Galena who is a member of the Board of County Commissioners and a candidate for renomination has always acted for the best interests of the tax-payers of the County. He should be nominated and elected for another term. All reports are favorable to his renomination.

Mr. J. Earnest Willson of Rock Hall is a representative of the type of young men who are beginning to take an active interest in the affairs of the County. He is a farmer and recognizes the needs of the farmer at the present time. He can be depended on to look after the affairs of Kent County in a satisfactory manner. Vote for Willson for County Commissioner in the primary. At the present time it looks as if he will be a Domocratic Candidate.

Kent Boat Wins Second Prize

With the handicap of being out of position when the starting gun was fired, and competing with the fastest sailing craft on Chesapeake Bay, the "Lizzie Cox," owned by Capt. Ellsworth Leary, of Rock Hall, took second place for bugeyes in the annual Chesapeake Bay Work Boat Regatta, held at Claiborne last Saturday. The "Lizzie Cox," a large bugeye, is a smart boat and her crew is to be congratulated for bringing one of the prizes to Kent county.

The work boat captains of the bay have formed the Chesapeake Bay Work Boat Association, under whose auspices the regatta will be held next year.
