UNITED PRESS BOYS REUNITED BY PHONE

The 3 P. M. telephone call from the United Press was announced by the tinkle of the long distance bell in the inner office of a Western newspaper one afternoon. As he had done every day for two months, Henry A. Youmans, of the paper's editorial force, went inside to get the latest world's news from the U. P.

As for two months past, a Voice—merely an impersonal unembodied Voice—so far as Mr. Youmans was concerned, began droning off the news events.

"Red Arrow men congregating in Madison—" began the Voice.

"All right, give us what there is of that," responded H. A., "that's my old division, and I'm interested."

"Yours?" queried the Voice.

"Yep," responded H. A., "I was in the 120th Infantry of the 32nd Division."

"Huh! The dickens you were," said the Voice, "I was in the 120th Artillery of the Red Arrows. Who are you anyway?"

"I'm Hank Youmans," responded the Freeman man. "Who are you?"

"I'm your old friend Bill Cramer, why didn't you tell me before whom I was talking to?"

"Why didn't you say you were Bill?" Mr. Youmans retorted. "You don't suppose I knew I was talking to every day, do you?"

And the two young men gossiped for a few minutes on U. P. long distance toll, renewing old recollections of days "over there," of buddies who had "gone west," or trials and tribulations long since over, and they pledged each other to meet in Madison.

RADIO RECORD MADE IN 1915

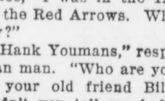

In these days of radio telephone publicity when the public mind is keyed up to the anticipation of great developments in the radio field, it is an interesting fact that the first demonstrations of the vast possibilities of the radio telephone were made by the scientists and engineers of the Bell System back in 1915.

Speech was successfully transmitted that year from New York City over the wire of the Bell System to the radio station at Arlington, Va., and thence by wireless to the radio station at Mare Island, Cal.

Later that year, a still more remarkable demonstration was made by the Bell System engineers, when words spoken into the radio telephone at Arlington, Va., were heard with remarkable clearness at the Eiffel tower in Paris and in the Hawaiian Islands. This demonstration established a long-distance radio telephone record which has never been surpassed.

The following year, 1916, during the three days' mobilization of the communication resources of the nation undertaken by the staff of the Bell System at the report of the Secretary of the Navy, with the co-operaion of the Navy Department, the Secretary of the Navy sitting at his desk in the Navy Department at Washingon, talked by radio telephone with Captain Chandler of the battleship New Hampshire cruising under orders off the Virginia Capes, the captain reporting his position every hour to the Navy Department.

WHY SUFFER SO

Why suffer from a bad back, from sharp, shooting twinges, headaches, dizziness and distressing urinary ills? Chestertown people recommend Doan's Kidney Pills. Could you ask for stronger proof of merit? Ask your neighbor!

Mrs. Bertie Crouch, 11 S. College Ave., Chestertown, says: "I can recommend Doan's Kidney Pills as a reliable remedy. I had lumbago and such a miserable aching across my back, I wasn't able to be on my feet a great deal of the time. There was no let-up day or night to my suffering. Headaches almost drove me frantic and my head swam with dizzy spells. The action of my kidneys was irregular. I used Doan's Kidney Pills from Hudson's Grocery and they quickly stopped the aches and pains and I could do my work without suffering."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Crouch had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Be it enacted by the General Assembly of Maryland, three-fifths of all the members of both Houses concurring, that the following section be and the same is hereby proposed as an amendment to the Constitution of the State of Maryland, and if adopted by the legal and qualified voters thereof, as hereinafter provided, the same shall stand as an additional section to Article 4 of said Constitution, to follow Section 31, and to be known as Section 31A.

31A. In addition to the authority granted to the Mayor and City Council of Baltimore by the preceding Section to pay to each of the Judges of the Supreme Bench the annual sum of five hundred dollars, authority is hereby given to said Mayor and City Council to pay to each of said Judges such further annual sum as an addition to their respective salaries as the Mayor and City Council of Baltimore shall from time to time deem right and proper, provided, that any such sum being once granted shall not be diminished during the continuance of such Judge in office.

Section 2. And be it further enacted by the authority aforesaid, that the said foregoing Section hereby proposed as an amendment to the Constitution, shall be, at the next general election for members of the General Assembly to be held in this State, submitted to the legal and qualified voters thereof for their adoption or rejection, in pursuance of the directions contained in Article 14 of the Constitution of this State; and at the said general election the vote on said proposed amendment to the Constitution shall be by ballot, and upon each ballot there shall be written or printed the word "For the Constitutional Amendment," and "Against the Constitutional Amendment," so that the voter may elect; and immediately after said election due return shall be made to the Governor of the vote for and against said proposed amendment, as directed by said 14th Article of the Constitution.
