### WHEN EVERY MOVE HURTS

Lame every morning, achy and stiff all day, worse when it's damp or chilly? Suspect your kidneys and try the remedy your neighbors use. Ask your neighbor!

Oliver W. Stoops, 624 W. High St., Chestertown, says: "I had an attack of kidney trouble and my back got so lame and stiff I could hardly keep at my work. When I stooped, it was all I could do to straighten again. The action of my kidneys was irregular and for two or three weeks I was almost past going. I heard of Doan's Kidney Pills helping others and bought some at Toulson's Drug Store. They were what I needed and soon fixed me up. I have had no return of the trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Stoops had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

# You need Balance for Quick Starting and those other VITAL gasoline qualities

YOU can easily measure the high *motive* power of "Standard," the balanced gasoline, with the proper apparatus. But it would be hard to estimate its great *moral* force in eliminating those harsh, cruel words usually addressed to a slow-starting motor. "Standard" users have forgotten what slow starting means.

If your engine is right, your switch on, and the choke out for a moment, "Standard" gives you instant starting, because it's *balanced*, which means that it has exactly the right proportion of low, quick-catching fractions that ignite instantly in the coldest motor.

This *balanced* gasoline also gives you the snappy power for pick-ups, the hard-pulling power for hills and the lean-mixture power for long mileage that have made "Standard" the regular choice of hundreds of thousands. Test it out and see for yourself—next time you fill up.
