CHIROPRACTIC

STOMACH TROUBLE

A short while ago it used to be a consolation to some people with good appetites, but lean pocketbooks, to pity John D. Rockfeller because (as was a fact' he couldn't eat all the good things his wealth could buy. It is claimed that he seldom could eat as much in a whole day as the average man eats at each meal.

The best stomach specialists of America and Europe were consulted and they all agreed that John D. had "stomach trouble," but they couldn't cure him. Soon he became talked of as "the millionaire who couldn't eat a square meal."

HERE THE STORY CHANGES.

John D. took a trip to Florida a few winters ago, where for the first time he became acquainted with Chiropractic. After a number of adjustments, the stomach nerves were freed from pressure, the vital energy again distributed through the nerves to the stomach, and John D. is said to be eating as many as four man-sized meals a day since.

If you can't eat all the good things on the table, don't blame the food; the stomach itself is at fault.

Stomach trouble is due to an improper functioning of the stomach, due to an interference with the vital energy that controls the various functions of the stomach. This interference is readily located by the Chiropractor, and found to be due to a misplaced or twisted bone of the spine.

Stop dieting; you will die soon enough. Call on the Chiropractor, whose adjustments will bring about normal function and health in the stomach.

THE UNIVERSAL CAR

New Roadster

Business men—with whom the runabout has always been very popular—are well pleased with the changes embodied in this model.

Always rugged, the car has been made decidedly trimmer and more comfortable.

This result is obtained by raising the radiator and enlarging the cowl; making a decided improvement in looks and providing more leg room.

A well designed top and slanting windshield do their share toward adding a finished, clean-cut appearance.

Make it a point to see the other new models also on display in our show room.

These cars can be obtained through the Ford Weekly Purchase Plan.
