CO-OPERATION

The merchants of Kent County have purchased large quantities of goods suitable for Christmas and every day needs. Our merchants are our neighbors and it is our duty to patronize them. Co-operation is the greatest known asset to any community and when we purchase from our local merchants we co-operate with them, thereby keeping our money in circulation in our midst. In this way communities can prosper, and when your community prospers, you prosper, but when your community fails to go ahead, you likewise cease to advance. Therefore, our home merchants should receive your first consideration—they are entitled to your patronage; they deserve it; they cannot afford to buy a large assortment of attractive articles if the home people are going away from home to do their shopping. Consult the columns of this paper and see the many things our merchants have to offer you. On every page of this issue you will find advertisements of our merchants. We ask all our readers to consult these advertisements before they do their holiday purchasing.

The Taste Is The Test For Rose Bud Flour!

And It's Economical, Too!

Good cooks have discovered that Brooks Mills' Rose Bud Flour is an unequaled all purpose flour. It will make light flaky biscuit, fluffy rolls, delicious bread loaves and cake of the best.

It is the cream of the wheat with nothing of the goodness left out, and no adulteration added. Finely milled and bolted to a pure fine white that can be used in every baking with the surety of splendid results. Your grocer has it—give it a trial.

Rose Bud Cake Recipe

WHITE LAYER CAKE

Those who make good cake say it is easy, but most cooks know that cake is exacting as to flour.

½ cup shortening, 1 cup granulated sugar, ½ cup water, 2 cups Rose Bud Flour, 2 teaspoons Royal baking powder, whites of 3 eggs, 1 teaspoon extract.

Cream shortening and sugar together until very light; add water slowly almost drop by drop, and beat constantly; add flavoring. stir in the flour, salt and baking powder which have been sifted together twice; fold in the whites of eggs which have been beaten until stiff and dry; pour into two greased layer cake tins and bake in moderate oven 20 to 25 minutes. Put together with the following:

MOCHA ICING AND FILLING—1 tablespoon butter, 1 cup confectioneer's sugar, 1 tablespoon cocoa, 2 tablespoons strong coffee, ¼ teaspoon salt.

Cream butter and sugar and stir until very creamy; add cocoa, coffee and salt aud stir until smooth. If too dry add more coffee and if too moist, more sugar, spread between layers and on top of cake.
