The Third National Bank

OF CHESTERTOWN, MD.

The Only National Bank in Kent County

"THE BANK WHERE YOU FEEL AT HOME."

SHARING OUR PROFITS---How Much Do You Share?

Do you know that we divide our PROFITS with our depositors? During the past twelve months we have paid a large sum to our patrons as their share of the Profits on Savings Deposits. To be exact, we have paid the BIG sum of $41,995.40 to our Savings Depositors. Did you get a share of this money?

When you deposit money here as an interest-bearing account we either lend or invest it, as we think best. If you want your money again before it is returned to us, we will take over the account and give you your interest together with the principal.

And if it should ever happen that we make a bad loan or a bad investment, the bank takes all loss. All your money and your full share of profits is paid to you just the same. The bank takes all the risk. Isn't that a good proposition? Call, and let us do business together.

Respectfully,

DIRECTORS.

GOV. RITCHIE INAUGURATED GOVERNOR FOR A SECOND TERM

Makes History for Maryland by Succeeding Himself.

FIRST GOVERNOR OF THIS STATE EVER HAVE BEEN ELECTED TO A SECOND CONSECUTIVE TERM.

His Administration Has Been a Successful and Progressive One.

On Wednesday Gov. Ritchie was inagurated Governor of Maryland for a second term. The Governors administration has been a progressive one it has struck a responsive cord in the minds and hearts of the Maryland people as a whole.

In his inaugural address on Wednesday he sounded in no unmistakable words his political convictions and his future political policies.

The following is a few of the most striking extracts from his address:

"Restore State's rights and end Federal encroachment.

"A great, a fundamental, an enduring principle is at stake. That principal calls for an end to centralization.

"It is not a call of class or of party or of creed. It is the call of the people of this country to be allowed to lead their lives in freedom and in liberty, so long as they live them cleanly and honestly, and do not hurt their neighbors or injure society.

"It is the call to resist unwarranted encroachment of every kind by the Federal Government upon the sovereign rights of our State and the guaranteed liberty of our people with head held high and st erect, no matter if we stand to proclaim once that ... ryl ing on the integrity of a native ...ood and womanhood, which h er failed, demands that every which concerns her people alon be decided as her people will

There were of course many striking features in what the nor said but we cannot publis all at this time.

Senator Copper Fairs V

Senator W. B. Copper was ed on the following committe of them among the most in Chairman of the Committee o t... and a member of the ing committees: Amendme Constitution; Chesapeake Tributaries; Executive No Insurance, Fidelity, Securit Companies; Public Build napolis; Revaluation and Roads and Highways.

The House of Delegates nounced its committees probably not be an week after next.
