DEATHS

Death has again caused a pall of gloom to settle over the whole community by removing from our midst one of our best and most useful citizens—Mr. George R. Rouse—who succumbed on Sunday morning, after an illness of several weeks, from a complication of diseases. Everyone knew Mr. Rouse was seriously ill, but all held to the hope he would survive. He was 57 years old. He is survived by his wife, Mrs. Ida Jewell Rouse, and four children: Harry J., G. Allan, and Misses Mary L. and Helen J. Rouse. Funeral services were held from his late residence Tuesday afternoon, conducted by Rev.T. J. Sard. The pall bearers were his two sons, Harry J, and G. Allan, two brothers, R. Frank and Thos. R. Rouse, Arlington L. Sparks and Chas. B. Chance. The interment was in Chester cemetery, undertaker Chas. L. Dodd in charge.

Mr. Rouse was well and favorably known to a wide circle of friends and acquaintances. Of a genial and loving disposition, always ready to listen to a good joke or a friendly conversation, he naturally drew to himself many warm friends, who basked in his geinality and delighted to be with him and enjoy his friendship.

Mr. Rouse, for about thirty years, was superintendent of the Standard Oil interests here, and served several terms on the board of town commissioners. He was widely known throughout the county and enjoyed the confidence and respect of every one who knew him intimately. He was an active member of the Methodist Episcopal Church and took great pleasure in all its many activities.

By his death, one of the most prominent figures of our community has been removed from the scene of his successful labors and one of the most active influences for good has ceased to exist. By the death of Mr. Rouse this community, as well as his family, has suffered a dreadful loss.

The death of Mr. E. Wilbur F. Simpers, of Ardmore, Pa., occurred at that place Wednesday. He was 72 years of age. For many years he was engaged in the mercantile business here. He was a brother of the late John H. Simpers. One son, Robert S., and a daughter, Miss Ella Simpers, survive him. The body was intered in Chester Cemetery yesterday, Friday, after funeral services were held. Bearers were T. W. Eliason, T. G. Wroth, Walter S. Trew, M. A. Toulson, Frank Simpers, J. Raymond Simpers. Rev. Mr. A. H. Covey, officiated, C. L. Dodd, undertaker.

Sarah V. Hurley, died at the home of her daughter, Mrs. Richard Groves of Lankford, on Friday last, aged 75 years. She was the widow of the late Houston W. Hurley. She is survived by the following children: Mrs. Della West, of Baltimore; Mrs. Elsie Groves, Kent county and Lillian F. Hurley, of Baltimore. Funeral services were held on Monday at the home of her daughter Mrs. West in Baltimore. Interment in Loudon Park cemetery. Undertaker Charles L. Dood.

Rev. Warren Burr, a retired member of the Wilmington Annual Conference of the M. E. Church, died Tuesday at North East, Md., where he made his home with his daughter, Death was due to double pneumonia. The funeral took place Thursday afternoon. Mr. Burr, who was 70 years of age, was admitted to the Wilmington Conference in 1888. He was pastor of Rock Hall M. E. Church from 1903 to 1907.

Mr. William J. Harris died at his late home in Baltimore City, Wednesday of this week, age 73 years. Besides his wife, Mrs. Martha Harris, he leaves four children. Mr. Harris was formerly a resident of Kent County.

The remains will be brought to Kent County by way of the Tolchester Boat today and interment will be made in Chester Cemetery after arrival of the boat. Rev. Mr. N. O. Gibson will officiate. C. L. Dodd, undertaker.

—Mr. L. Bates Russell was made trustee in the bankrupt cases of Mr. J. Thomas Smith and his wife, at a meeting of their creditors held in the law office of R. Hynson Rodgers yesterday.

Seventeen years ago 1916 the first bottle of Coco-Cola was manufactured in Baltimore. Since that time the sale of bottled Coco-Cola in the Baltimore territory has out grown five bottling plants and in March this year the Company will move into its sixth home.

The new plant is the largest and most modern bottling plant in the country, having a capacity of 3,600,000 cases, 80,400,000 bottles per year and in addition to the very latest bottling machinery will have two 12-ton ice machines, four five hundred gallon carbonators for charging the water and four 750 gallon water filters to purify the water.

Special Announcement!

By DR. L. M. DILL, The Chiropractor.

In order to properly take care of my fast increasing pratice in Kent, Queen ,Anne, Cecil Talbot and Caroline Counties, thru my central offices,which are located in Chestertown and Centerville, I have found it necessary to select larger and more desirable quarters in both Chestertown and Centreville.

My Centreville suite of offices are now located in the new steam-heated building over the Sunset Pharmacy in Centreville. This office which has just been newly equipped with modern conveniences and the latest appliances for rendering a thoroughly efficient HEALTH SERVICE, to the good people of Queen Anne, Caroline and Talbot counties.

For some time I haev been searching Chestertown for much larger and properly fitted quarters, where I might prepare for an extensive increase in practice, My Motto is "The best is none too good," and this applies strongly to my feeling to the good residents of Kent, Cecil and part of Queen Anne County. I wanted to find a place in Chestertown where the sick could come, and be assured of kind attention and pleasant surroundings. After a careful survey I have decided to occupy the complete suite of offices, in the building owned by Mr. Wilbur Hubbard, known as the Eastern Shore Inn.

Further announcement will be made concerning these new HEALTH OFFICES in Chestertown in the near future. I intend to make this office in Chestertown my Main Office, and will strive to render my best ability and energy, to maintain the good reputation I already enjoy.

I want to take this occasion to thank the good people of Kent County for the splendid co-operation they have given me, in mFy effort to establish the comparatively new Health Science in the northern counties of the Eastern Shore.

A competent nurse will be in attendance.
