THE STATE appropriation for the public schools of the state which caused so much contention between Governor Ritchie and Superintendent Cook of the State Board of Education, has been satisfactorially settled between the Governor and Mr. Cook. The settlement was made without increasing the state tax rate of 27 1-6 cents and without any reduction in the teachers salaries. The Governor should have the support of every taxpayer in the state in his efforts to reduce taxes.

THE LAW introduced in the Senate last week by Senator W. B. Copper to tax dogs is the same law that has been in force for years, with the addition of a constable in each district to be known as "Dog Constable" whose duties will be to collect the taxes on all dogs in their respective districts. The bill is approved by and bears the signatures of the present three county Commissioners, Jessie H. Usilton, president; T. Ringgold Jones, S. J. Johnson.

EGGS WANTED

FOR HATCHING

We can use 70,000 Pure bred eggs per week for hatching.

If you have thoroughbred hens, call and see us as we pay a premium for such eggs.

Every farmer should keep Pure Bred hens, as you will get more for your eggs and several cents more for your chickens when they go to market.

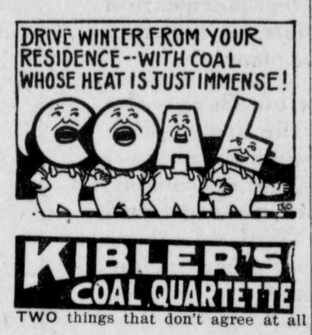

Get busy now-get some Pure Bred Chickens and then in the fall you can get rid of your mixed stock.

With good care and housing you will be surprised to find that they are the best paying crop on the farm.

A number of our patrons tell us that their hens bring in more money than their cows. One farmer in Kent Co., sold over $1400.00 worth of eggs from 400 hens. You can do the same if you care to.

Come and see us and talk it over-we will be glad to help you.
