DEMOCRATIC WOMEN'S CONVENTION.

HELD IN BALTIMORE—EASTERN SHORE WOMAN HONORED

Democratic women of Baltimore and the counties of Maryland held a convention last week in Baltimore at the Hotel Belvedere. Regardless of the snow storm twenty-one counties and Baltimore City were represented by delegates. Eight hundred women in all being present.

When the Convention opened every available space was filled to overflowing, thus showing that women are interested in politics.

A Constitution was adopted and the following officers unanimously elected for the coming year: Chairman, Mrs. Jesse W. Nicholson, Chevy Chase; Baltimore City Chairman, Mrs. Howard Bryant; Eastern Shore Chairman, Mrs. Wilbur W. Hubbard, Shestertown; Western Shore Chairman, Mrs. Andrew Annon, Emmitsburg; Southern Maryland Chairman, Mrs. L. B. Johnson, Morganza; Recording Secretary, Mrs. George M. Gaither, Baltimore; Corresponding Secretary, Mrs Preston B. Ray, Rockville; Treasurer, Mrs. J. Enos Ray, Chillum; Parliamentarian, Mrs. William F. Johnson, Baltimore; Chairman of Legislation Committee, Mrs. Mortimer W. West, Forest Park, Md.

The question of a National committeeé woman for the state was discussed and six names were put into nomination, those receiving the largest vote was Mrs. Jesse W. Nicholson of Montgomery County and Mrs. S. Johnson Poe, of Baltimore

The next question for discussion was the women who would go to the National Convention in June as delegates at large and the following were selected by the convention: Mrs. Wilbur W. Hubbard, Kent County, Mrs. Jesse W. Nicholson, Montgomery County, Mrs. George M. Gaither, Baltimore, and Mrs. Mortimer W. West, Baltimore. The name selected for the organization was the "United Democratic Women of Maryland."

The success of this Convention was due in large measure to Mrs. Wilbur W. Hubbard, of Kent County and Mrs. George M. Gaither, of Baltimore who have been untiring in their efforts.

The meeting was presided over by Mrs. Jesse W. Nicholson of Montgomery County. The Rev. Peter Ainslee offered a prayer, and a luncheon was held at 1.30 o'clock at the Belvedere Hotel, Senator Royal C. Copeland, of New York, made a very favorable impression with a delightful address. Mrs. David Kincheloe, wife of Representative Kincheloe of Kentucky, rendered a musical program.

One noticeable feature of this great gathering of women, was the fact that the best womanhood of the State was represented.

One of the most prominent women present was the present National committeewoman, Mrs. James Hamilton Briscoe, of Hagerstown.

The United Democratic Women of Maryland will hold two meetings a year, one in April and the other in October. The next meeting is already being looked forward to with much interest.

THE COVERED WAGON

The Screen Sensation Coming To Chestertown

"The great American picture at last," is truly descriptive of the remarkable screen version of Emerson Hough's story, "The Covered Wagon" which will be seen at the Lyceum Theatre, Chestertown, for matinee and night Saturday, April 5th.

It is different from most American epics heretofore shown on screen stage, for he reason it deals with an intimate and widely appealing phase of our peculiar national development. It shows a nation not smug and contented with unusual benefits and blessings, but answering that greatest urge for expansion and the carrying forward of the best in tradition and ideals. Nothing ever placed between the pages of book or behind footlights has so vividly shown that spirit which alone made the United States the greatest of nations. The trials, struggles, hardships and bravery of men, women, girls and boys in that great forward march of civilization epitomized in the closing forties, when progress moved westward, is at last brought before our eyes and quite correctly in this, the superlative of film creations. Those who see this motion picture wonder will feel justly proud if they happen to have been born in this land and others who have come here from distant shores will have a vast satisfactory thrill over their wisdom in adoption. The finest players in pictures were recruited to make lasting fame in the great characterizations of this story. Among them are J. Warren Kerrigan, Lois Wilson, Ethel Wales, Ernest Torrence, Tully Marshall and others.

A selected orchestra of twelve muscians will play Hugo Reisenfeld's special score. "The Covered Wagon" is in its 55th week in New York, which is the record of all picture productions and judging by its popularity it will stay there a much longer time. The record run up to date was held by "The Birth of a Nation" which ran for forty-four weeks.
