—The whole Japanese Nation is saving its money to make up the loss in the earth-quake. No nation on earth works more closely united than the Japanese people. Whatever any Japanese has belongs to his country, whether it be his money or his life. No wonder Japan leads all Asia. As to Japan's debts J. Peerpont Morgan points out that the Japanese nation was founded 2584 years ago, and has never been in default for one dollar on any debt. A pretty good record!

—A very unusual deed was presented for a record in the Clerk's office at Easton last week. It was a photographic copy of the original deed of the Girard Trust Company of Philadelphia to the E. B. Leaf Company of that city, conveying the property to the Maryland, Delaware and Virginia Railroad for the sum of $225,00. The deed called for revenue stamps to the value of $65.00.

JAIL DELIVERY HERE

TWO NEGRO BOYS BEND BARS AT WINDOW AND MAKE GETAWAY.

RECAPTURED IN WILMINGTON

The Kent County Jail at Chestertown had a jail delivery on Thursday Morning, between one and two o'clock when two negroes, Joshua Tiller and Buck Boyer, in jail for larceny, bent a bar aside and sawed through another, at the window which looks out upon Court Street, and using a rope as a ladder, made their escape.

The jail delivery was well planned. Dr. H. P. Copeland, Chestertown physician, keep his Chevrolet car in a nearby garage. The men secured this car and went away in it.

It seems that States Attorney S. S. Beck was notified of their escape by a colored man, who called up Sheriff Goodman, who immediately went after the men. Latest reports indicate that the sheriff lost his quarry some time during the early morning hours of Thursday.

The sheriff and deputy captured these prisoners yesterday morning in Wilmington. The car was not damaged to any great extent.
