If Born in April the Diamond is Your Birthstone.

Diamonds always retain their value. Whenever you dislike the diamonds in the setting originally purchased you can have them made into something else. For instance, out of a diamond stud you can have a ring made. Or, the diamond can be set into the case of a watch. You can, in fact, have any diamond piece changed to meet the requirements of fashion.

We carry undoubtedly the largest assortment of diamonds in the city. We sell them at reasonable prices because we buy them right. We sell them for what they are and guarantee them.

We are particularly strong on diamond rings. If we do not seem to have just what you want we can easily make it. You can select the diamonds yourself, and you will also be handed the sketch of the article to be made, for your criticism and O. K. Then you will be assured that the article will be made just as YOU want it.

At present the diamond and platimum bar pin is very popular. See our selection.

SALISBURY TO LOSE SUB-STATION

The Salisbury sub-station of the Maryland State Police is to be closed temporarily, according to announcement just made by Colonel E. Austin Baughman, Commissioner of Motor Vehicles and Commanding Officer of the Police Force.

This announcement was made by Commissioner Baughman this week. At the same time he explained that the action taken does not mean that the counties of the Eastern Shore are to be without police patrol and highway protection. Indeed, it is to give the section greater protection with the, at present, limited number of men available.

Due to the shortage of officers, following a number of resignations from the force. and pending replacement to the full quota allowed by law, in May, when a new draft of State Officers will be sworn in, it was felt by Col. Baughman that every officer available should be on the road. The closing of the sub-station will do away with the necessity for an officer being kept on sub-station duty at all hours, and this man will thus be released for highway work.

While the sub-station is closed those desiring information or other service formerly obtained there should call the Baltimore Headquarters over the phone, Plaza 0267, or write to the Commissioner of Motor Vehicles. St. Paul & Saratoga Streets, Baltimore, Md.

IN MEMORIAM

In memory of my mother, Mrs. Vaughn Mathews, who departed this life one year ago April 9.

Gone, yes gone forever,
Her happy face we'll see no more,
But we hope when life is over
To meet her on that happy shore.

Her place is vacant today
No words can tell how we miss her
Since the morning she went away.
By her devoted Husband.
