1,970,000,000 Feet of Telephone Wire

BEFORE the War, this company installed about 127,000,000 feet of wire each year. Because of the abnormal demands for service during the past several years, it has, during that period, installed an annual average of about 209,000,000 feet of wire. For 1924 it is estimated that 384,100,000 feet will be required, and during the next five year period 1,970,000,000 feet of wire.

Most of this wire is in cables. These cables vary in size from 50 to 2400 wires. The establishment of such cables requires careful surveys and accurate advance planning. Otherwise certain localities where future demands may not be great might be supplied with cable far in excess of their requirements. In such cases valuable plant might continue to lie idle for years. And this idle investment would necessarily place additional costs upon the users of the service.

This necessary preliminary work takes time and involves certain unavoidable delays in the establishment of service. But it is through this procedure that the company is able to operate economically and keep its charges for service at the lowest possible amount.

Gill Bros. Formula Is An Open Secret

A young man once suggested "that we sell our formula for Gill Bros. Ice Cream to manufacturers in other towns who wanted to know how to make ice cream as good as Chestertown enjoys."

We told him we had no formula to sell. Any chemist could readily analyze Gill Bros. Ice Cream and find just how we make so delicious in flavor, so rich and so pure.

Gill Bros. Ice Cream contains the same choice fruits, nuts, berries available to any other ice cream manufacturer. More than this, it is made from our pure cream furnished in constant plenty from the pasteurized output of our private sources of superior milk supply.

Above all, it is produced with all possible skill and care to maintain the GILL BROS. reputation for highest quality—and to keep faith with a public that has put the stamp of approval on our daily production. There is no richer, no better-flavored, no purer ice cream anywhere.

BIG APPROPRIATION BILL.

VAST SUM FOR VETERAN BUREAU AND OTHER MEASURES.

The independent offices appropriation bill, carrying $349,000,000 for the veterans' bureau and $30,000,000 for the shipping board, as passed recently by the House and sent to the Senate.

As approved the measure totaled approximately $399,000,000, or $98,000,000 less than last year's appropriation.

Amendments approved by the House included on by Representative Hull, Republican, Iowa, which would require the shipping board and other Government agents to call for bids from navy yards for supplies and repairs and to award contracts to them. if their estimates were lower than private concerns.

By a vote of 196 to 170 the Hodse kept in the bill an amendment, adopted then, increasing the allotment for the Federal Trade Commission from 680,000 to $94.000.

Additional arguments were presented to the House merchant marine committee today against enforcement of section 28 of the Merchant Marine Act, which provides preferential railroad freight rates for shippers using American vessels.

Representatives of American shipping and industrial interests resumed their advocacy of a resolution proposed by Representative Newton, Republican, Minnesota, which would defer enforcement or the section until July 1. 1925, instead of May 20, 1924, as ordered by the Interstate Commerce Commission.

NERVES ALL UNSTRUNG?

Chestertown Folks Should Find the Cause and Correct It.

Are you all worn out Feel tired, nervous, half-sick Do you have a constant backache; sharp twinges of pain, too, with dizzy spells and annoying urinary disorders Then there's cause for worry and more cause to give your weakened kidneys prompt help. Use Doan's Pills—a stimulant diuretic to the kidneys.

Chestertown folks recommend Doan's for just such troubles.

John R. Hadaway, 700 W. High St., Chestertown, says: "I can give Doan's Pills the highest praise. They have never failed to straighten me up whenever my kidneys troubled me. I suffered so with my back, I could hardly straighten and often came home at night tired out and nervous. My kidneys acted irregularly, too. I used Doan's Pills from Sterling's Pharmacy and they soon put my kidneys in good shape."
