RETAIL JEWELERS TO MEET

The Maryland-Delaware Retail Jewelers Association will convene at Hotel Dupont on Thursday, May 1, continuing for two days.

Most of the members of the association come from towns in the state of Delaware and the Eastern Shore of Maryland, which do not observe daylight saving time and the hours of the convention will be along standard time. This will avoid confusion in arrangements, owing to down-State trains operating on standard time. A big delegation of jewelers from Baltimore is planning to come to this city May 1. to attend the dinner that evening. It is expected there will be close to 200 guests and the program is one of the most entertaining that has ever been planned by this organization. The Silver service from the battleship Delaware will be shown at the meeting. Mr. J. S. Kreeger, of Chestertown, is a member of the association.

SHORE TRANSIT SYSTEM GRANTED THREE NEW ROUTES

The Public Service Commission last Thursday granted three new Bus Line permits to the Shore Transit System. One the new routes extends from Church Hill to Denton; one from Denton to Dover, Delaware; and one from Claiborne to Wittman, Tilghman, and Fairbank, Maryland. The service on the Church Hill—Denton and the Denton—Dover route started 23rd inst.,

The line from Dover will render a very important cross-country service, as there is no way for people to now go from many parts of the Shore to Dover and other parts of Delaware without traveling away around by Wilmington, or Clayton Junction.

The new routes granted by the Commission gives the Shore Transit the following lines with which they are now operating.

Salisbury—Claiborne, Easton, Chestertown and Rock Hall, and Elkton and Chestertown.

The Company has adopted a new slogan "Eastern Shore from End to End," which is being painted on all its buses. The Company is now covering practically all parts of the Shore with a comprehensive connected up through passenger service.
