THE PRIMARY RESULT IN KENT COUNTY MONDAY

THE RESULT of the primary contest between Senator Copper and his followers and Harrison W. Vickers and his followers, on Monday was a surprise to most of the people of this county, which resulted in a victory for Mr. Vickers and his ticket. The Senator carried five out of the seven districts of the county over Mr. Vickers but Mr. Vickers' majority of 28 in the seventh and 229 in the Fifth district defeated the Senator by 95 votes.

There was an erroneous impression created against Senator Copper in regard to a state road in Piney Neck and the fish interests in the Fifth and Seventh districts which was used by the Senator's opponents to the limit, and which was the prime cause for his defeat.

There is no reason for Senator Copper and his friends to feel discouraged over their defeat when they analyze the reason. Wrong impressions, when created, are hard for a while to correct, but usually right themselves when the true facts are known, so it will be in this case.

COMMUNICATED

What is called the Piney Neck Road was evidently intended for a canal. A ditch was dug on either side but without proper draining at either end or culvers where needed, and then the ridges of earth from the ditches were left at the sides of the road to hold the water in the road, with the result that the road has been steadily undermined all winter and is now worse than in the memory of the oldest inhabitant.

We have had more rain and storm than usual but that is just the thing our commissioners were warned of, and asked to fix the road in time.

One commissioner told me that he put his car up for the winter. It does not seem to me to be good business for all of us to do the same which was what he implied.

Anytime is a good time to fix a road and the sooner the quicker. We can't fly or swim or sail on ice.

We have holes big enough for a two horse team to fall into as happened last week.

I challenge anyone in the county to show us bigger, deeper holes than we have. I'll say, we beat the world.

Drainage first, then shells and cinders which are right at hand would make a road that would compare favorably with your fine hard roads and be very little expense to keep up.

Let's have the roads. Otherwise we will have to have service stations to pull cars and teams out and aid the mained and injured to get to hospitals

COURT NEWS

ONE KENT MURDER CASE DISPOSED OF—OTHER COURT NEWS OF THE WEEK

The Circuit Court for Kent County continued its proceedings after the Webb murder trial by hearing the State vs. Robinson murder case. The court then adjourned until Tuesday, when it reconvened.

Saturday, May 3.

State vs. John Robinson, colored, for the murder of Lewin Graves. Plea not guilty. Jury trial. Verdict, guilty of manslaughter, and sentenced to 12 months in House of Correction. S. S. Beck for State; John D. Urie and Thos. F. Healey for Robinson.

Tuesday, May 6.

Case of Eastern Shore Warehouse Co., vs. A. W. Sisk & Son was settled.

Wednesday, May 7.

Case of Mary E. Latchell vs. McCrory Stores Corporation. Suit for damages because of false arrest. Transferred from Talbot county. Jury trial. S. S. Beck and Chas. J. Butler represented Miss Satchell; H. W. Vickers and T. H. Henry were the counsel representing the McCrory Stores Corporation.

The jury rendered a verdict of $2,500 in favor of the plaintiff. It seems that the lady had been comparing a ball of yarn, purchased elsewhere, with one in the above store, and had put the former ball back in her pocket. She was arrested for larceny and the suit for damages was the result.

The case of John Lawrence vs. John W. Scott for injury to former's car in a collision. This case was removed from Cecil and was on trial when we went to press.
