A CONTRADICTION

BY

DR. DILL

THE

CHIROPRACTIC

The wonderful success of Chiropractic in acute and chronic diseases has been so great that it is causing hundreds of sick people from Kent and adjoining counties to flock to the Health offices of Dr. Dill for genuine and permanent relief.

Some few unscrupulous persons (enemies of the sick) have tried to disparge the efforts of this Drugless Method of restoring Health by making the untruthful statement that Chiropractic is only a **"temporary cure,"** and that the practitioners of Chiropractic though generally very successful, are in practise only to commercialize the ailments of humanity for profit alone.

Such statements bear no relation to truth. Every practitioner of Chiropractic to be successful must produce results on cases given up by other doctors as incurable.

The results of Chiropractic, unlike other methods are **permanent** there being no re urrence of the trouble after the nerves ar freed from pressure and the sick or diseased part of the bod allowed to function normally.

95% of the people who come to this office with ailments leave their ailments behind, if they give this method of Drugless Healing a fair chance to restore health.

Do not let prejudice interfere with your Health. Call on Dr. Dill the Chiropractor now, Phone 326.
