WORK~

In city streets, on country highways, in farm structures and industrial plants, small and large, concrete is being more and more used. Why?

First because it meets the modern necessity for economy. Atlas is cheaper today than thirty years ago. And second because man's work must be safeguarded.

Structures built with Atlas protect both the worker and his product, for they are permanent and fire-safe. Tell your building material dealer about your building plans and ask him about materials. He can be of real help.

ATLAS PORTLAND CEMENT

WHAT MY NEIGHBOR SAYS.

Is of Interest to Chestertown Folks.

When one has had the misfortune to suffer from backache, headaches, dizziness, urinary disorders and other kidney ills—and has found relief from all this sickness and suffering, that person's advice is of untold value to friends and neighbors. The following case is only one of many thousands, but it is that of a Chestertown resident Who could ask for a better example?

Mrs. Romie E. Patrick, High St., says: "My back ached and my kidneys acted too freely. It seemed as if weights were tied to my back and were pulling me down. I felt tired all the time. After using one box of Doan'. Pills from Toulson's Drug Store the trouble was entirely gone."

FIVE YEARS LATER, Mrs. Patrick said: "I never miss a chance to recommend Doan's Pills since they cured me of kidney complaint."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Patrick had. Foster Milburn Co., Mfrs., Buffalo, N. Y.
