BOY DROWNS IN SASSAFRAS

While his parents and a younger brother stood a short distance away and were powerless to aid him, Norman Myers, aged 18 years, son of Mr. and Mrs. Paul Myers, was drowned last week about three hundred yards off shore at Grove Point in the Sassafras river. His body was recovered an hour later but all life was extinct. Mr. and Mrs. Myers, live on a farm at Grove Point, which is opposite Betterton.

—Smallpox which first prevailed in Port Deposit several weeks ago by a negro coming into town from North Carolina, and quickly spread to other places, reached Elkton Saturday night, when a nurse attached to Union Hospital was seized with the disease.

Oldsmobile-Six Sedan

at average open car price

If you have around $1100 to spend for an automobile, you can now enjoy a fine Oldsmobile Six Sedan with four-door body by Fisher. Here's how this body is built—

Thick door pillars run solidly from floor to roof—the frames are all mortise-wedged, glued, screwed and bolted. Four wide doors admit you to an interior made beautiful and complete by velour upholstery, satin silvered fittings, heater, domelight, door locks, window curtains, cowl ventilator and transmission lock.

Like the Fisher body, every other feature of Oldsmobile Six is of first quality. The 40 horsepower "six" engine with its pressure feed lubrication system has no equal in any similarly priced car. It has Delco electrical equipment, the finest clutch, the best known chassis lubrication system.

Get up-to-date on motor cars. See this Oldsmobile Six—joint achievement of Oldsmobile and General Motors. Drive it—and you will know why 500 people a day choose it as the most wonderful car in its price class.
